RATING
Standard & Poor's: "BBB"

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with certain tax covenants and the accuracy of certain representations and certifications made by the Issuer and the College as described herein, interest on the Series 2014 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Interest on the Series 2014 Bonds is, however, included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax imposed on such corporations. Bond Counsel is further of the opinion that interest on the Series 2014 Bonds is exempt from personal income taxes imposed by the State of New York and any political subdivision of the State of New York, assuming compliance with certain tax covenants and the accuracy of certain representations and certifications as described herein. See "Tax Matters" herein regarding certain other tax considerations.

\$30,000,000
TOWN OF HEMPSTEAD LOCAL DEVELOPMENT CORPORATION
REVENUE BONDS, SERIES 2014
(MOLLOY COLLEGE PROJECT)

INTRODUCTION

The purpose of this Official Statement, which includes the cover page, the Table of Contents and the Appendices hereto, is to furnish certain information with respect to the issuance by the Town of Hempstead Local Development Corporation (the "Issuer") of its Revenue Bonds, Series 2014 (Molloy College Project) in the aggregate principal amount of \$30,000,000 (the "Series 2014 Bonds"). The Series 2014 Bonds are being issued pursuant to a certain Indenture of Trust, dated as of November 1, 2009 (the "Original Indenture"), entered into by and between the Issuer and U.S. Bank National Association, as trustee (the "Trustee"), as amended and supplemented by a First Supplemental Indenture of Trust, dated as of November 1, 2014 (the "First Supplemental Indenture" and together with the Original Indenture, the "Indenture"), entered into by and between the Issuer and the Trustee.

Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the Series 2014 Bonds, the provisions, among others, with respect to the nature and extent of the security for the Series 2014 Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Owners of the Series 2014 Bonds, and the terms upon which the Series 2014 Bonds are issued and secured. Capitalized terms used in this Official Statement and not otherwise defined shall have the meanings assigned thereto in "APPENDIX C - Schedule of Definitions and Summary of Documents".

The Series 2014 Bonds are authorized to be issued pursuant to the New York Membership Corporation law as in effect in 1966, as superseded by Section 1411 of the New York Not-For-Profit Corporation Law (the "Act"), the inducement resolution of the Issuer adopted on September 19, 2014 and the authorizing resolution of the Issuer adopted on October 22, 2014 (collectively, the "Issuer Resolution").

The proceeds of the Series 2014 Bonds, together with other available funds of Molloy College (the "College") are being used (i) to finance and refinance the costs of certain facilities located on portions of the College's approximately 24 acre campus located at 1000 Hempstead Avenue, in the Village of Rockville Centre, Town of Hempstead, Nassau County, New York (the "Campus"), consisting of (A) the construction, furnishing and equipping of an approximately 50,000 square foot academic building for the nursing program; (B) reimbursing the College for certain costs of the renovation and improvement of an existing approximately 24,000 square foot faculty residence into a student residence; and (C) related site work and other renovations and improvements on the Campus (collectively, the "Facility"), (ii) to pay capitalized interest on the Series 2014 Bonds during the construction period of the Facility and (iii) to pay costs of issuance of the Series 2014 Bonds (collectively, the "Series 2014 Project").

The Series 2014 Bonds are special obligations of the Issuer and are payable solely from the revenues, receipts and other payments derived from a certain Loan Agreement, dated as of November 1, 2014 (the "Series 2014 Loan Agreement"), between the Issuer and the College, and pledged to the Trustee under the terms of the Indenture and as otherwise provided in the Indenture. The payment of the principal of, Redemption Price of and interest on the Series 2014 Bonds is an unconditional obligation of the College and will be secured by the Series 2014 Mortgage (as defined below) and a pledge of Gross Revenues (as defined below).

The Issuer has previously issued under the Original Indenture its \$50,000,000 Revenue Bonds, Series 2009 (Molloy College Project) (the "Series 2009 Bonds" and together with the Series 2014 Bonds and any Additional Bonds (as defined herein), the "Bonds"). The Series 2009 Bonds are special obligations of the Issuer and are payable solely from the revenues, receipts and other payments derived from a certain Loan Agreement, dated as of November 1, 2009 (the "Series 2009 Loan Agreement"), between the Issuer and the College, and pledged to the Trustee under the terms of the Indenture and as otherwise provided in the Indenture. As of September 30, 2014, \$48,005,000 of Series 2009 Bonds were outstanding. The Series 2014 Bonds are secured on a parity basis with the Series 2009 Bonds and all other Bonds.

The principal of, Redemption Price of and interest on the Series 2014 Bonds shall not constitute or give rise to an obligation of the State of New York (the "State") or any municipality or subdivision thereof (including, without limitation, the Town of Hempstead, New York) and neither the State nor any municipality or political subdivision thereof (including, without limitation, the Town of Hempstead, New York) shall be liable thereon, and further such obligations and agreements shall not constitute or give rise to a general obligation of the Issuer, but rather shall constitute special obligations of the Issuer payable solely from the revenues of the Issuer derived and to be derived from the Series 2014 Loan Agreement (except for Unassigned Rights).

The Series 2014 Bonds will bear interest payable on each January 1 and July 1, commencing January 1, 2015 (each a "Debt Service Payment Date") to the Owner in whose name each Series 2014 Bond is registered at the close of business on the Record Date with respect to such Debt Service Payment Date (1) by check or draft mailed on the Debt Service Payment Date to each registered Owner, or (2) by wire transfer on the Debt Service Payment Date to each Owner of at least \$500,000 in aggregate principal amount of Series 2014 Bonds, upon written notice provided by the Owner to the Trustee not later than five (5) days prior to the Record Date for such Debt Service Payment Date. Except as provided in the Series 2014 Bonds and the Indenture, payment of interest upon redemption of any Series 2014 Bond shall be made only upon presentation and surrender of such Series 2014 Bond as provided in the Indenture, irrespective of any transfer or exchange of such Series 2014 Bond subsequent to such Record Date and prior to such Debt Service Payment Date. See "THE SERIES 2014 BONDS".

Pursuant to the Indenture, all payments due from the College to the Issuer under the Series 2014 Loan Agreement (except for Unassigned Rights and except for the moneys and investments from time to time in the Rebate Fund, established under the Indenture) are assigned by the Issuer to the Trustee to secure the payment of the principal or Redemption Price of and interest on the Series 2014 Bonds.

Payments under the Series 2014 Loan Agreement are to be made by the College to the Trustee in amounts sufficient, together with any moneys then held by the Trustee and available for such purpose, to pay the principal, Redemption Price, or Sinking Fund Payment of, and interest on the Series 2014 Bonds as the same become due, whether at maturity, upon redemption or by acceleration or otherwise. The payments under the Series 2014 Loan Agreement are an absolute and unconditional obligation of the College.

Pursuant to a certain Tax Regulatory Agreement, dated the date of issuance of the Series 2014 Bonds, between the College and the Issuer, the College has made various covenants (i) in connection with the preservation of the exclusion of the interest on the Series 2014 Bonds from gross income for federal income tax purposes and (ii) for purposes of compliance with the arbitrage rebate requirements set forth in the Treasury Regulations. See "TAX MATTERS".

Brief descriptions follow of the Issuer, the Plan of Finance, Estimated Sources and Uses of Funds, the Series 2014 Bonds, Debt Service Requirements on the Series 2014 Bonds, Security for the Series 2014 Bonds, the College, Negotiability, Tax Matters, Auditors, Absence of Litigation, Underwriting, Rating, Legality for Investment, Legal Matters and Secondary Market Disclosure. Appendix B contains the Audited Financial Statements of the College for the years ended June 30, 2014 and 2013. Appendix E contains a form of the Continuing Disclosure Undertaking to be entered into by the College and the Trustee. The descriptions and summaries previously listed do not purport to be comprehensive or definitive and are qualified in their entirety by reference to the respective documents and to "APPENDIX C - Schedule of Definitions and Summary of Documents." All such descriptions and summaries are further qualified in their entirety by reference to bankruptcy laws, insolvency or other laws or enactments now or hereafter enacted by the State or the United States relating to or affecting generally the enforcement of creditor's rights and the availability of equitable remedies, and to the extent, if any, that enforceability of the indemnification and contribution provisions of the Bond Documents may be limited by law. Insofar as any statements are made in this Official Statement involving matters of opinion, regardless of whether so stated, they are intended merely as such and not as representations of fact. Copies of the Bond Documents may be obtained, upon written request, from the Underwriter during the offering period and, after the initial delivery of the Series 2014 Bonds, at the corporate trust office of the Trustee located at 100 Wall Street, Suite 1600, New York, New York 10005 (the "Office of the Trustee").

Description of the Series 2014 Bonds

The following is a summary of certain provisions of the Series 2014 Bonds and should not be considered a full statement thereof. Reference is made to the Indenture (including the form of Series 2014 Bond) for the detailed provisions thereof and the discussion herein is qualified by such reference.

General Provisions

The Series 2014 Bonds are dated the date of delivery. The Series 2014 Bonds mature on July 1 of the years and bear interest at the rates set forth on the inside front cover page hereof,

and are issuable in the form of fully registered Series 2014 Bonds without coupons in minimum denominations of \$5,000 or integral multiples thereof. The Series 2014 Bonds will bear interest, computed on the basis of a 360 day year of twelve 30-day months, from the date of delivery, payable on January 1 and July 1 of each year, commencing on January 1, 2015 (each a “Debt Service Payment Date”).

Interest on Series 2014 Bonds due on any Debt Service Payment Date shall be payable to the Owner in whose name each Series 2014 Bond is registered at the close of business on the Record Date with respect to such Debt Service Payment Date by (1) check mailed on the Debt Service Payment Date to the Owner or (2) by wire transfer on the Debt Service Payment Date to each Owner of not less than \$500,000 in aggregate principal amount of Series 2014 Bonds, upon written notice provided by each Owner to the Trustee not later than five (5) days prior to the Record Date for such Debt Service Payment Date, except that payment of interest on redemption of any Series 2014 Bonds shall be made only upon presentation and surrender of such Series 2014 Bond as provided in the Indenture, irrespective of any transfer or exchange of such Series 2014 Bond subsequent to such Record Date and prior to such Debt Service Payment Date, unless the Issuer shall default in the payment of interest due on such Debt Service Payment Date. In the event of any such default, such defaulted interest shall be payable to the Person in whose name such Series 2014 Bond is registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by or on behalf of the Issuer to the Owners of Series 2014 Bonds not less than fifteen (15) days preceding such special record date. Such notices shall be mailed to the Persons in whose name the Series 2014 Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing. Payment of interest on Series 2014 Bonds by mail will be made to the registered address of the Person entitled thereto.

Payment of the principal and, in the case of any Series 2014 Bonds redeemed prior to maturity, payment of the Redemption Price, if any, and interest accrued to the redemption date, shall be made, upon presentation and surrender at the principal corporate trust office of the Trustee, or at the office designated for such payment by any successor trustee or paying agent or at such other place as may be agreed upon in advance by the Trustee and the Owner of a Series 2014 Bond. The principal, Redemption Price of, and interest on the Series 2014 Bonds are payable in lawful money of the United States of America which, at the time of payment, is legal tender for the payment of public and private debts.

Upon any partial redemption or surrender of Series 2014 Bonds for cancellation, the Sinking Fund Payments due on such Series 2014 Bonds so redeemed or surrendered shall be credited with a like principal amount in any order of their due dates at the election of the College or, if the College does not provide any such election in writing to the Trustee, the Sinking Fund Payments due on such Series 2014 Bonds so redeemed or surrendered shall be credited in inverse order of their due dates.

Mandatory Taxability Redemption. The Series 2014 Bonds shall be redeemed in whole as soon as practicable after the occurrence of an Event of Taxability and the receipt by the Trustee of written notice from any Owner or the College of the occurrence of an Event of Taxability (but in no event later than one hundred twenty (120) days following the date a Responsible Officer of the Trustee is notified of an Event of Taxability), at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest thereon to the Redemption Date.

Selection of Series 2014 Bonds to be Redeemed

In the case of Series 2014 Bonds to be redeemed at the election or direction of the Issuer, the Issuer (at the direction of the College) will select the maturities and principal amounts of Series 2014 Bonds to be redeemed or, if the Issuer does not provide any such direction in writing to the Trustee, the principal amount of such Series 2014 Bonds to be redeemed shall be applied in inverse order of maturity of the Outstanding Series 2014 Bonds to be redeemed and by lot within a maturity. In the event that redemption of Series 2014 Bonds is made in an amount less than the amount of all Series 2014 Bonds having the same maturity, all Series 2014 Bonds having the same maturity shall be redeemed pro rata.

Notice of Redemption

When Series 2014 Bonds are to be redeemed pursuant to the Indenture, the Trustee shall give notice of the redemption of the Series 2014 Bonds in the name of the Issuer stating: (i) the Series 2014 Bonds to be redeemed; (ii) the Redemption Date; (iii) that such Series 2014 Bonds will be redeemed at the Office of the Trustee; (iv) that on the Redemption Date there shall become due and payable upon each Series 2014 Bond to be redeemed the Redemption Price

thereof, together with interest accrued to the Redemption Date; and (v) that from and after the Redemption Date interest thereon shall cease to accrue.

Notice of redemption required by the Indenture shall be given by mailing at least thirty (30) days and not more than sixty (60) days prior to such Redemption Date to the Owner of each Series 2014 Bond to be redeemed at the address shown on the registration books; provided, however, that the failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceeding for the redemption of Series 2014 Bonds.

If notice of redemption shall have been given as described above, the Series 2014 Bonds called for redemption shall become due and payable on the Redemption Date, provided, however, that with respect to any optional redemption of the Series 2014 Bonds, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Series 2014 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem the Series 2014 Bonds. In the event that such notice of optional redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of optional redemption shall be unconditional, or if the conditions of a conditional notice of optional redemption shall have been satisfied, then upon presentation and surrender of the Series 2014 Bonds so called for redemption at the place or places of payment, such Series 2014 Bonds shall be redeemed.

Book-Entry Only System

The following description of the procedures and record keeping with respect to beneficial ownership interests in the Series 2014 Bonds, payment of interest and other payments on the Series 2014 Bonds to DTC Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interests in the Series 2014 Bonds and other related transactions by and between DTC, DTC Participants and Beneficial Owners is based on certain information furnished by DTC. Accordingly, neither the Issuer, the College, the Underwriter nor the Trustee makes any representations concerning these matters.

The Depository Trust Company (“DTC”), New York, NY will act as securities depository for the Series 2014 Bonds. The Series 2014 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2014 Bond certificate will be issued for each maturity of the Series 2014 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5

million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Series 2014 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2014 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2014 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2014 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2014 Bonds, except in the event that use of the book-entry system for the Series 2014 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2014 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2014 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2014 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2014 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2014 Bonds of a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Series 2014 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2014 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, Redemption Price, and interest payments on the Series 2014 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Trustee, the College or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

The Trustee and the Issuer may treat DTC (or its nominee) as the sole and exclusive registered owner of the Series 2014 Bonds registered in its name for the purposes of payment of the principal of or interest on the Series 2014 Bonds, giving any notice permitted or required to be given to registered owners, registering the transfer of the Series 2014 Bonds, obtaining consent or other action to be taken by registered owners and for all other purposes whatsoever. Conveyance of notices and other communications by DTC to Participants, by DTC to Indirect Participants and by Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF ANY DTC SERIES OF SERIES 2014 BONDS AS NOMINEE OF DTC, REFERENCES HEREIN TO THE HOLDERS OF SUCH DTC SERIES OF SERIES 2014 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF SUCH SERIES OF SERIES 2014 BONDS.

NONE OF THE ISSUER, THE COLLEGE OR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT, (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, SINKING FUND INSTALLMENT FOR, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2014 BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO

HOLDERS OF SERIES 2014 BONDS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF SERIES 2014 BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER OF SERIES 2014 BONDS.

DTC may discontinue providing its service with respect to the Series 2014 Bonds at any time by giving notice to the Trustee and the Issuer and discharging its responsibilities with respect thereto under applicable law, or the Issuer may terminate its participation in the system of book-entry transfer through DTC at any time by giving notice to DTC. In either event, the Issuer may retain another securities depository for the Series 2014 Bonds or may authenticate and deliver Series 2014 Bonds in the form of fully registered bond certificates in accordance with instructions from DTC or its successor. If the Issuer delivers such bond certificates, principal of the Series 2014 Bonds, and any premium, if applicable, would be payable in lawful money of the United States of America at such office as may be designated by the Issuer and interest on the Series 2014 Bonds will be payable by wire transfer or by check mailed to the respective addresses of the registered owners thereof as shown on the registration books of the Issuer as of the close of business on the last day of the calendar month preceding the applicable interest payment date.

SECURITY FOR THE SERIES 2014 BONDS

The principal or Redemption Price of, and interest on the Series 2014 Bonds are payable solely from (i) the moneys payable by the College under the Series 2014 Loan Agreement and (ii) all moneys and obligations which are deposited or required to be deposited in the appropriate sub-accounts of the Bond Fund, the Project Fund or any other fund established under the Indenture (except the Rebate Fund).

Pursuant to the Indenture, the Issuer will pledge and assign to the Trustee a security interest in certain moneys due or to become due, and certain other rights and remedies of the Issuer, under or arising out of the Series 2014 Loan Agreement (except for certain rights specially reserved to the Issuer, the "Unassigned Rights"). The College's obligation to make payments under the Series 2014 Loan Agreement is an unconditional obligation of the College, and is secured as described below.

Series 2014 Loan Agreement

The Series 2014 Loan Agreement obligates the College to make monthly payments to the Trustee in amounts sufficient to pay, among other things, the College's allocable portion of the principal and Sinking Fund Payments of, and interest on, the Outstanding Bonds as they become due. With respect to the Series 2014 Bonds, each payment will be equal to one-sixth of the interest coming due on the next Debt Service Payment Date and one-twelfth of the principal payment and Sinking Fund Payments coming due on the next Debt Service Payment Date, as adjusted for any shorter initial period.

Series 2014 Mortgage

The College's obligation to make payments under the Series 2014 Loan Agreement is secured by the Building Loan Mortgage and Security Agreement, dated as of November 1, 2014, from the College to the Issuer (the "Series 2014 Building Loan Mortgage") and the Project Loan Mortgage and Security Agreement, dated as of November 1, 2014, from the College to the Issuer (the "Series 2014 Project Loan Mortgage" and, together with the Series 2014 Building Loan Mortgage, the "Series 2014 Mortgage") relating to certain property of the College. See "APPENDIX A – Information Pertaining to Molloy College – Mortgaged Property." The Series 2014 Mortgage is on a parity with the Building Loan Mortgage and Security Agreement, dated as of November 1, 2009, from the College to the Issuer (the "Series 2009 Building Loan Mortgage") and the Project Loan Mortgage and Security Agreement, dated as of November 1, 2009, from the College to the Issuer (the "Series 2009 Project Loan Mortgage" and, together with the Series 2009 Building Loan Mortgage, the "Series 2009 Mortgage") relating to certain property of the College and securing the College's obligation to make payments under the Series 2009 Loan Agreement. There has not been any recent appraisal of the Mortgaged Property and the value of the Mortgaged Property may be less than the principal amount of the Series 2014 Bonds at the time of issuance. There has been no updated survey of the Mortgaged Property. The Issuer has assigned the Series 2009 Mortgage to the Trustee and will assign the Series 2014 Mortgage to the Trustee upon the issuance of the Series 2014 Bonds.

Gross Revenues

The College's obligation to make payments under the Series 2014 Loan Agreement is also secured by a pledge of its Gross Revenues pursuant to the Series 2014 Loan Agreement and the Series 2014 Mortgage on a parity with the pledge granted under the Series 2009 Loan Agreement and the Series 2009 Mortgage.

Outstanding Bonds

The Issuer has previously issued the Series 2009 Bonds under the Original Indenture. As of September 30, 2014, \$48,005,000 principal amount of the Series 2009 Bonds were outstanding. The Bonds, including the Series 2009 Bonds and the Series 2014 Bonds, are special obligations of the Issuer and payment of principal of, Redemption Price of, and interest on the Bonds is an unconditional obligation of the College and will be secured on a parity basis by the Series 2009 Mortgage, the Series 2014 Mortgage and a pledge of Gross Revenues.

Additional Bonds

The Indenture provides that additional bonds ("Additional Bonds") may be issued thereunder and such Additional Bonds will be secured on a parity with the outstanding Bonds, including the Series 2014 Bonds. Conditions to the issuance of Additional Bonds include but are not limited to: (i) that the College enter into a loan agreement relating to the payment of such Additional Bonds and (ii) that the College satisfies the provisions of the Series 2009 Loan Agreement and the Series 2014 Loan Agreement relating to the issuance of additional Indebtedness.

Additional Indebtedness

Pursuant to the Series 2014 Loan Agreement, the College may incur Long-Term Indebtedness (including relating to Additional Bonds and including that secured by a parity or subordinate lien on the Mortgaged Property and/or the Gross Revenues), provided that the Maximum Annual Debt Service on all outstanding Long-Term Indebtedness (including the Series 2009 Bonds, the Series 2014 Bonds, any Additional Bonds and such additional Long-Term Indebtedness) shall not exceed 10% of the College's unrestricted revenues, gains and other support determined in accordance with generally accepted accounting principles in the last completed fiscal year of the College for which financial statements are available. The College may also incur up to \$5,000,000 of Short-Term Indebtedness provided that such Short-Term Indebtedness is fully retired for at least 30 days in each fiscal year. The College has represented that Maximum Annual Debt Service on all outstanding Long-Term Indebtedness taking into account indebtedness relating to the Series 2014 Bonds, does not exceed 10% of the College's unrestricted revenues, gains and other support determined in accordance with generally accepted accounting principles for the College's fiscal year ended June 30, 2014.

Limitations on Liens

In the Series 2014 Loan Agreement, the College covenants that it will not create or allow Liens upon any of its Property, including without limitation on Gross Revenues or investments, except that the College may create or allow (i) Liens on the Mortgaged Property and/or Gross

Revenues provided that the Indebtedness secured by such Lien is permitted to be incurred in accordance with the limitations on additional Indebtedness set forth in the Series 2014 Loan Agreement and such Lien is not senior to the Series 2014 Mortgage or the security interest in Gross Revenues granted by the College in the Series 2014 Loan Agreement and the holder of such Lien has entered into an intercreditor agreement with the Trustee pursuant to which such lienholder has agreed that the Trustee shall as collateral agent for the benefit of the Holders of all Bonds and any other Indebtedness permitted under the Series 2014 Loan Agreement control all remedies related to the Mortgaged Property, (ii) Liens on real property of the College (and improvements and personal property located thereon) other than the Mortgaged Property, and (iii) Permitted Liens.

Special Obligations; Limited Resources

The Series 2014 Bonds are special obligations of the Issuer and are payable solely from the revenues, receipts and other payments derived from the Series 2014 Loan Agreement and the Indenture. Payments pursuant to the Series 2014 Loan Agreement are required to be made by the College directly to the Trustee and to be deposited in a separate Bond Fund held by the Trustee for the payment of the principal of, redemption premium, if any, and interest on the Series 2014 Bonds.

THE SERIES 2014 BONDS ARE NOT OBLIGATIONS OF THE STATE OF NEW YORK OR ANY POLITICAL SUBDIVISION THEREOF (INCLUDING, WITHOUT LIMITATION, THE TOWN OF HEMPSTEAD, NEW YORK), AND NEITHER THE STATE OF NEW YORK NOR ANY POLITICAL SUBDIVISION THEREOF (INCLUDING, WITHOUT LIMITATION, THE TOWN OF HEMPSTEAD, NEW YORK) HAS ANY LIABILITY, LEGAL, MORAL OR OTHERWISE THEREUNDER. NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF NEW YORK OR ANY POLITICAL SUBDIVISION THEREOF (INCLUDING, WITHOUT LIMITATION, THE TOWN OF HEMPSTEAD, NEW YORK) HAS BEEN PLEDGED TOWARDS THE PAYMENT OF THE SERIES 2014 BONDS. THE SERIES 2014 BONDS ARE SPECIAL OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE SOURCES PROVIDED IN THE INDENTURE AND THE OTHER SERIES 2014 BOND DOCUMENTS. THE SERIES 2014 BONDS DO NOT NOW AND SHALL NEVER CONSTITUTE A CHARGE AGAINST THE GENERAL CREDIT OF THE ISSUER. NONE OF THE DIRECTORS, OFFICERS, MEMBERS OR EMPLOYEES OF THE ISSUER, THE TRUSTEE OR ANY PERSON EXECUTING THE SERIES 2014 BONDS SHALL BE LIABLE PERSONALLY OR BE SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THE ISSUANCE THEREOF. THE ISSUER HAS NO TAXING POWERS.

TAX MATTERS

Federal Income Taxes

The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2014 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2014

Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2014 Bonds. Pursuant to the Indenture, the Series 2014 Loan Agreement and the Tax Regulatory Agreement, the Issuer and the College have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2014 Bonds from gross income for federal income tax purposes under Section 103 of the Code. In addition, the Issuer and the College have made certain representations and certifications in the Indenture, the Series 2014 Loan Agreement and the Tax Regulatory Agreement. Bond Counsel will also rely on the opinion of Farrell Fritz, P.C., counsel to the College, as to all matters concerning the status of the College as an organization described in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code. Bond Counsel will not independently verify the accuracy of those representations and certifications or that opinion.

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with the aforementioned covenants, and the accuracy of certain representations and certifications made by the Issuer and the College described above, interest on the Series 2014 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Such interest on the Series 2014 Bonds is, however, included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax imposed on such corporations.

State Taxes

Bond Counsel is further of the opinion that interest on the Series 2014 Bonds is exempt from personal income taxes imposed by the State of New York and any political subdivision of the State of New York, assuming compliance with the tax covenants and the accuracy of the representations and certifications described under “Federal Income Taxes” above. Bond Counsel expresses no opinion as to other state or local tax consequences arising with respect to the Series 2014 Bonds nor as to the taxability of the Series 2014 Bonds or the income therefrom under the laws of any state other than the State of New York.

Original Issue Premium

The Series 2014 Bonds (collectively, the “Premium Bonds”) are being offered at prices in excess of their principal amounts. An initial purchaser with an initial adjusted basis in a Premium Bond in excess of its principal amount will have amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond based on the purchaser’s yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, over the period to the call date, based on the purchaser’s yield to the call date and giving effect to any call premium). For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation with an amortizable bond premium is required to decrease such purchaser’s adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a

reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Owners of the Premium Bonds are advised that they should consult with their own tax advisors with respect to the state and local tax consequences of owning such Premium Bonds.

Ancillary Tax Matters

Ownership of the Series 2014 Bonds may result in other federal tax consequences to certain taxpayers, including without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits and individuals seeking to claim the earned income credit. Ownership of the Series 2014 Bonds may also result in other federal tax consequences to taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry the Series 2014 Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Series 2014 Bonds is subject to information reporting to the Internal Revenue Service (the "IRS") in a manner similar to interest paid on taxable obligations. In addition, interest on the Series 2014 Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any Federal tax matters other than those described in the opinion attached as Appendix D. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series 2014 Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Law and Post Issuance Events

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series 2014 Bonds for federal or state income tax purposes, and thus on the value or marketability of the Series 2014 Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series 2014 Bonds from gross income for federal or state income tax purposes, or otherwise. We note that in each year since 2011, President Obama released legislative proposals that would limit the extent of the exclusion from gross income of interest on obligations of states and political subdivisions under Section 103 of the Code (including the Series 2014 Bonds) for taxpayers whose income exceeds certain thresholds. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2014 Bonds may occur. Prospective purchasers of the Series 2014 Bonds should consult their own tax advisors regarding the impact of any change in law on the Series 2014 Bonds.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series 2014 Bonds may affect the tax status of interest on the Series 2014 Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series 2014 Bonds, or the interest thereon, if any action is taken with respect to the Series 2014 Bonds or the proceeds thereof upon the advice or approval of other counsel.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Series 2014 Bonds will be passed upon by Nixon Peabody LLP, New York, New York, Bond Counsel for the Issuer, which opinion will be substantially in the form attached hereto as Appendix D. Certain legal matters will be passed upon for the College by its counsel, Spellman Rice Schure Gibbons McDonough, Polizzi & Truncale, LLP, Garden City, New York and Farrell Fritz P.C., Uniondale, New York, for the Issuer by its counsel, Ryan, Brennan & Donnelly LLP, Floral Park, New York and for the Underwriter by its counsel, Orrick, Herrington & Sutcliffe, LLP, New York, New York.

There is no action, suit, investigation or proceeding pending or, to the knowledge of the College, threatened against the College or any properties or rights of the College before any court, arbitrator or administrative or governmental body which in the opinion of management of the College might result in any material adverse change in the business, condition or operations of the College or which involves the possibility of materially adversely affecting the ability of the College to comply with the Series 2014 Loan Agreement.

RATINGS

Standard & Poor's has assigned the College the rating of "BBB". Any desired explanation of the significance of such ratings should be obtained from Standard & Poor's. There is no assurance that a particular rating will pertain for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of Standard & Poor's, circumstances so warrant. Any downward revision or withdrawal of any such rating could have an adverse effect on the market price of the Series 2014 Bonds. Neither the Underwriter, the Issuer, nor the College has undertaken any responsibility either to bring to the attention of the Owners of the Series 2014 Bonds any proposed change in or withdrawal of such ratings or to oppose any such revision or withdrawal.

Such investment and securities activities may involve securities and instruments of the College.

APPENDIX A INFORMATION PERTAINING TO MOLLOY COLLEGE

General

Founded in 1955 by the Dominican Sisters of Amityville, Molloy College (“Molloy” or the “College”) is an independent, co-educational, non-profit institution of higher education, organized and existing under the laws of the State of New York. The College is located on approximately 24 acres in Rockville Centre, New York and includes classrooms, labs, offices, a gym, a theater, several food venues, a library and student residence halls. The campus offers more than 358,030 gross square feet of building space in seven major buildings. For the fall term of the 2013-2014 school year, the College enrolled 3,400 undergraduate, 1,024 graduate and 31 Ph.D. students.

Molloy, an independent Catholic college, rooted in the Dominican tradition of study, spirituality, service, and community, is committed to academic excellence with respect for each person. Through transformative education, Molloy promotes a lifelong search for truth and the development of ethical leadership.

The College is in the midst of a multi-phase capital plan that is intended to enhance the experience of its students and that will significantly transform its campus. Phase I of this plan included the construction of the Public Square, a three-story building that is centrally located on campus and contains approximately 57,040 gross square feet of space. A major feature of this facility is a 550 seat theatre. In addition, Phase I included the construction of a student residence to provide the College with its first on-campus dormitory for undergraduate students. The College is now proceeding with Phase II of the plan. Phase II includes the construction of a new 49,688 gross square foot Academic Building and extensive renovations to a former faculty residence to accommodate 101 residential students and thereby increase the number of residential beds to 257. Phase III will focus on capital investments to enhance housing, dining and parking. The scope of Phase III will be determined in fiscal year 2017 or later, and will be dependent on enrollment, fundraising and operating performance.

Strategic Plan

The Molloy College Board of Trustees approved the current Strategic (five year) Plan on February 7, 2013, which covers the period of academic years 2012 through 2016.

The renewed plan focuses on carrying forward the strategies from the previous plan that had become imbedded in the College culture and established themselves as commitments:

- Being a Catholic college rooted in the Dominican tradition.
- Proving academic excellence.
- Attracting and retaining the best people to complete our mission and accomplish our goals and objectives.
- Maintaining an optimum enrollment that allows the College to both flourish and provide the individual attention that is characteristic of a Molloy College education.

The current plan focuses on establishing five additional, more specific, goals:

Goal 1. Enhancing the quality of academic programs, faculty, and the teaching/learning environment to achieve regional prominence as a comprehensive masters granting institution.

Goal 2. Developing the whole student; intellectually, academically, ethically, spiritually and with a strong social conscience for community involvement.

Goal 3. Engaging the entire college community in continuous quality improvement and sustainable business practices to ensure the best experience for students and for others who participate in Molloy activities.

Goal 4. Establishing Molloy College as a regional center for social, intellectual and cultural exchange/dialog and education to transform individuals and communities.

Goal 5. Operating in a manner consistent with responsible stewardship and sustainability.

Each goal is supported by objectives and strategies that emanated from College unit plans and which are the responsibility of specific vice presidents to oversee and manage.

Board of Trustees

The College's governing documents specify that a Board of Trustees of up to thirty members shall govern the College. Up to eight, but no less than three, of the Trustees must be Sisters of the Order of St. Dominic, Amityville, New York. At the present time, the Board of Trustees consists of twenty-seven members, three of whom are Sisters of the Order of St. Dominic, Amityville, New York. The President of the College is an ex officio member of the Board of Trustees. The College's governing documents also provide that Trustees are elected for not more than four consecutive terms (12 years). The Board is further divided into three classes according to expiration of term with approximately one third of the Board in each class.

The Board of Trustees meets four times each year for regular meetings and conducts an annual planning retreat. The Executive Committee may transact such business of the College as the Board may transact, except to grant degrees, or to remove or elect members of the Board. The Executive Committee is composed of the Chairperson, Vice-Chairperson of the Board, the President of the College (in an ex-officio capacity) and Standing Committee chairpersons. The Chairperson may appoint not more than two additional members at-large, subject to the approval of a majority of the permanent members of the Executive Committee.

There are seven standing committees of the Board, including an Executive Committee, Academic Affairs Committee, Facilities Committee, Advancement Committee, Fiscal Affairs and Audit Committee, Mission Effectiveness Committee and the Student Affairs Committee. The current members and officers of the Board of Trustees follow.

It is comprised of three members of the Fiscal Affairs and Audit Committee and up to three non-board members appointed by the Board Chair on the basis of their knowledge and experience in the area of investments and related financial matters. Investments are currently managed by Credit Suisse Securities (USA) LLC.

The College reports the estimated fair value of investments based on market prices, except for certain alternative investments, for which quoted market prices are not available. The estimated fair value of these investments is based on valuations provided by external investment managers as of June 30. The fair market value of long-term investments consisted of the following at June 30 of the respective fiscal year:

Outstanding Indebtedness

In November 2009, the Town of Hempstead Local Development Corporation (the "Agency") issued \$50,000,000 of Revenue Bonds, Series 2009 (the "Series 2009 Bonds"), with maturities through 2039, at interest rates ranging from 5.0% through 2016, 5.25% through 2019, 5.75% through 2023, and 5.75% through 2039, less a net discount of \$175,027.

In accordance with the bond agreement, the payment of the principal and interest on the Series 2009 Bonds is an unconditional obligation of the College and is secured by a mortgage on the Rockville Centre campus and a pledge of gross revenues.

The College is required to make semi-annual payments to the Agency, in amounts equal to the Agency's debt service payments. The Agency's debt service payments requires fifty-six semi-annual principal payments, which commenced on July 1, 2012, and sixty semi-annual interest payments, which commenced on January 1, 2010. As of June 30, 2014 and 2013, bond interest payable in the amount of \$1,378,890 and \$1,400,140 represents the interest due on July 1, 2014 and 2013, respectively.

The following is a summary of the minimum annual principal and interest payments for the College's Series 2009 Bonds.

<u>Year ending June 30</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>

The College has established a \$4,000,000 line of credit with Valley National Bank (the "Bank") to be used to provide funds specifically for the renovation of Maria Regina Hall into a dormitory for students. The aggregate principal balance outstanding bears interest at the Bank's certificate of deposit rate plus 1% (1.5% as of June 30, 2014). In consideration of the Bank extending credit to the College, the College granted to the Bank a security interest in a certificate of deposit in the amount of \$4,500,000 which was established on October 4, 2013 and which matures on or about October 10, 2014. Accrued interest on the certificate of deposit totaled \$15,004 and is included in prepaid expenses and other current assets on the Statement of Financial Position as of June 30, 2014. Such certificate of deposit earns interest at the rate of 0.5% per annum. Proceeds from the Bond issue will be used to repay the line of credit in full. The line of credit will then be cancelled and the security interest in the certificate of deposit will terminate.

In July 2014, the College entered into a Contract of Sale whereby Mercy Medical Center will sell to the College approximately 3.5 acres of land adjacent to the College. The purchase price is \$2,350,000

of which a payment of \$120,000 has been made and which is currently held in escrow. These funds will be applied to the purchase price upon closing or applied to rent in the event the contract is terminated and closing does not occur. The College does not currently anticipate incurring additional long-term indebtedness to pay such purchase price. It is anticipated that the land will be used for additional parking for students and staff.

The College has reintroduced the Theatre Arts major and has requested from the New York State Education Department a change in degree from a Bachelor of Arts to a Bachelor of Fine Arts. On September 20, 2013, as part of the plan to reintroduce the degree, the College entered into an agreement with Collaborative – Arts 21 (“CAP21”), a multi-purpose institution comprised of a theatre conservatory and a not-for-profit theatre company. The regular Liberal Arts curriculum will be taught on the campus of the College, while the studio courses focusing on musical theatre and instruction in acting, voice, dance, and scene study will be provided by CAP21 at their location in Manhattan. The initial term of the agreement shall extend through June 30, 2023 unless the College exercises its option to renegotiate the terms of the agreement as of June 30, 2018. Litigation/Legal Proceedings

Molloy College is not aware of any litigation pending or threatened wherein any unfavorable decision would adversely affect the ability of the College to enter into the Agreement and to carry out its obligations thereunder or would have a materially adverse impact on the financial condition of the College.

Mortgaged Property

The College's obligations under the Series 2014 Loan Agreement will be secured by the Series 2014 Mortgage which is secured on a parity with the Series 2009 Mortgage on the Rockville Centre campus. Off-campus properties owned by the College will not be subject to the mortgage.

Purpose of the Series 2014 Bonds

Proceeds from the Series 2014 Bonds will be used to (i) finance the cost of capital projects on the main campus including construction of a new academic building, The Barbara Hagan Center for Nursing, and reimburse the College for renovations to Maria Regina Hall, as part of Phase II of the College's current Strategic Plan, (ii) finance other capital projects throughout the Campus and related costs, (iii) fund capitalized interest during the construction period, and (iv) pay costs of issuance associated with the Series 2014 Bonds.

The Barbara H. Hagan Center for Nursing

The Hagan Center will provide a new home for the Division of Nursing and its design will create a sense of place and community for Molloy's nursing students and faculty. The building is designed to be 49,668 gross square feet.

The building to be constructed will be a mixed-use building. It will allow the nursing students to engage in study in a variety of settings, including classroom and seminar-based instruction, nursing laboratory-based clinical instruction, computer classroom-based instruction and testing and clinical nursing experience.

Included in the design are four large classrooms, two tiered classrooms and a distance learning suite which will all have high levels of audio visual communications and instructional capabilities. There are four simulation rooms, which will have sophisticated life-like training mannequins that are computer activated and are used to assist in teaching the nursing students a wide range of bedside diagnosis and treatment modalities. There will be three laboratories, which are intended to provide the nursing students with a wide range of hospital-type clinical experience.

The design also includes two sophisticated computer labs, which will be used for both instruction and testing. There will be two multipurpose rooms, which will be used for seminars and conferences, a number of study rooms and lounges for both students and faculty. There will also be a Doctoral workroom, which will be available for students enrolled in the Ph.D. programs. The building will also contain the offices for our Nursing Department administration, faculty and support staff.

Molloy College determined, as part of the development of the College's Long Term Campus and Facilities Master Plan, that the ability to provide housing would benefit the College in recruiting new students and enhance the student's college experience.

Maria Regina Hall

The College opened its first residence, Fitzgerald Hall, in September 2011. Fitzgerald Hall is a three story facility that provides a variety of room options. The design was intended to provide 156 beds, but due to demand, 171 students were housed during the 2013-2014 academic year.

The administration determined that based on demand, the College would proceed with conversion of the former faculty residence, Maria Regina Hall, into the College's second student residence. Renovations began May 2013 and were completed August 2014. The facility contains 101 beds in a four story building with a configuration that includes 45 single rooms, 9 double rooms, 9 triplets and 2 suites with a total of 11 beds. Maria Regina has a large student lounge which contains computer stations and recreational equipment. There is also a laundry and fitness room. The lower level of Maria Regina contains the offices and command center for the Public Safety Department. In addition to these two major projects, there will be renovations to other spaces on campus and site improvements.

We have audited the accompanying financial statements of Molloy College (the "College"), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the College's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Molloy College as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

MOLLOY COLLEGE

Notes to Financial Statements

June 30, 2014 and 2013

1. NATURE OF BUSINESS

Founded in 1955 by the Dominican Sisters of Amityville, Molloy College (the “College” or “Molloy”) is an independent Catholic college, rooted in the Dominican tradition of study, spirituality, service, and community, and is committed to academic excellence with respect for each person. Through transformative education, Molloy promotes a lifelong search for truth and the development of ethical leadership.

The College provides a student-centered learning experience which enhances the intellectual, ethical, spiritual and social development of every student, and strives to continually enhance the quality of its academic programs, faculty and teaching learning environment. In order to augment its position within the local community, the College will continually identify, recruit and educate students who demonstrate leadership qualities, understand the need for civic engagement and aspire to serve the community. The College operates with the understanding that both immediate and long-term financial stability is needed in order to achieve these goals. For the fall term of the 2013-2014 school year, the College enrolled 3,400 undergraduate, 1,024 graduate, and 31 Ph.D. students. For the spring term of the 2013-2014 school year, the College enrolled 3,268 undergraduate, 990 graduate, and 31 Ph.D. students. For the 2013-2014 academic year, there were 812 undergraduate and 323 graduate and 1 Ph.D. degrees conferred.

The College is located on approximately 24 acres in Rockville Centre, New York and operates a center in Suffolk County, New York. The College is a dynamic learning institution with outstanding faculty, state-of-the-art-technology and distinguished academic programs. Notably, Molloy’s nursing program is the 4th largest nursing program in the country and the largest in the northeast.

The College has diversified the curriculum from its historic strengths in Nursing and Education to include a wide-range of highly respected programs, doubling the number of undergraduate programs since 2000. Over the last several years, the College has been restructured from a predominately undergraduate institution into a comprehensive graduate granting institution with over 1,000 graduate students in 40 programs in the disciplines of Nursing, Education, Business, Criminal Justice, Music Therapy and Speech Language Pathology and two doctoral programs - the PHD in Nursing and the Doctor of Nurse Practice. In the areas of academic and student affairs, the College has built a comprehensive multi-faceted collegiate experience for the students that include service learning, international education, a huge range of internships and clinical experiences, an un-paralleled campus life with over 50 clubs and over 1,000 activities per year. Residential students have lived on campus since 2010.

In the last decade, the physical layout of the campus has changed with the addition of several quads and 4 new buildings in addition to a number of major renovations. The Hagan Center, currently under construction will be the fifth new building on campus in a decade.

Molloy College is more embedded into the fabric of the Long Island community as we have dramatically increased the number of students in the community in clinical placements, internships and various practicums. In addition, Molloy hosts programs offered by college institutes such as the Siena Women’s Center, the Center for Interfaith Dialogue, the Sustainability Institute, Energia, and CERCOM as well as the dynamic programming offered in the Madison Theatre. Approximately 6,000 students participated in the continuing education programs last year.

In September 2013, the New York State Education Department approved (a) the College's request for a curriculum change to the registered Bachelor of Science degree in Biology which will now offer three separate study tracks: pre-professional medical programs/graduate studies; pre-allied medical programs and general biological sciences; (b) the College's request to offer a Bachelor of Arts in English with an additional Writing Concentration track; (c) the Master of Business Administration in Healthcare Administration and the Master of Science in Nursing Administration and Informatics/Master of Business Administration in Healthcare Administration dual degree; and (d) Bachelor of Science/Masters of Business Administration and Dual Degree in Marketing. In July 2014, the New York State Education Department approved the following: (a) the initial Certification in Teachers of Students with Speech-Language Pathology program which will allow students already registered in the College's Speech-Language Pathology program to receive a second certification; (b) the Master's Program in Clinical Mental Health Counseling; and (c) the Doctorate of Nurse Practice degree in Family Nurse Practitioner, Adult-Gerontology Nurse Practitioner, Pediatric Nurse Practitioner and Family Psychiatric Mental Health Practitioner.

The College is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of the New York State income tax laws. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The College's financial statements are prepared using the accrual basis of accounting and are presented in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). As required by US GAAP, the College's financial statements distinguish between unrestricted, temporarily restricted, and permanently restricted net assets and changes in net assets. The College's net assets consist of the following:

Unrestricted Net Assets - consist of all resources of the College which are expendable for carrying on the College's operations. Unrestricted net assets include investment in plant, which is the net property, plant and equipment owned by the College less long-term debt, as well as quasi-endowment funds designated by the Board of Trustees.

Temporarily Restricted Net Assets - consist of the College's net assets resulting (a) from contributions and other inflows of assets whose use by the College is limited by donor-imposed stipulations that either expire by the passage of time or can be fulfilled and removed by actions of the College pursuant to those stipulations, (b) from other enhancements and diminishments subject to the same kinds of stipulations, and (c) from reclassifications to (or from) other classes of net assets as a consequence of donor-imposed stipulations, their expiration by the passage of time, or their fulfillment and removal by actions of the College pursuant to those stipulations. In addition, appreciation and income on certain donor-restricted endowment funds are classified as temporarily restricted until authorized for spending by the Board of Trustees.

Temporarily restricted net assets at June 30, 2014 and 2013 consisted of the following:

	<u>2014</u>	<u>2013</u>
Funded scholarships	\$ 661,599	\$ 627,204
Other grants and restricted donations	1,481,802	1,536,567
Capital campaign	4,792,688	881,940
Student loan funds and other	<u>71,556</u>	<u>71,556</u>
	<u>\$ 7,007,645</u>	<u>\$ 3,117,267</u>

Permanently Restricted Net Assets - include funds wherein the donors have stipulated that the principal contributed be invested and maintained in perpetuity. Income earned from those investments is available for expenditures according to restrictions, if any, imposed by the donors. Permanently restricted net assets at June 30, 2014 and 2013 consisted of scholarship funds.

Fair Value Measurements

The fair value standard defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The standard provides a consistent definition of fair value, which focuses on an exit price between market participants in an orderly transaction as prescribed by the standard. The standard also prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information and establishes a three-level hierarchy for fair value measurements based on the transparency of information used in the valuation of the asset or liability as of the measurement date.

MOLLOY COLLEGE
Notes to Financial Statements
June 30, 2014 and 2013

Assets and liabilities measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1: Quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include debt and equity securities that are traded in an active exchange market, as well as U.S. Treasury securities.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities include debt securities with quoted market prices that are traded less frequently than exchange-traded instruments. This category generally includes certain U.S. government and agency mortgage-backed securities, and corporate-debt securities.

Also included in Level 2 are investments measured using a net asset value (“NAV”) per share, or its equivalent, that may be redeemed at that NAV at the date of the statement of financial position or in the near term, which the College has generally considered to be within 90 days.

- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation. This category generally includes certain private debt and equity instruments and alternative investments.

Also included in Level 3 are investments measured using a NAV per share, or its equivalent, that can never be redeemed at NAV or for which redemption at NAV is uncertain due to lockup periods or other investment restrictions.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other assets that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

Cash and Cash Equivalents

Cash and cash equivalents include cash held in banks, money market funds, and U.S. Treasury bills. The College considers all highly liquid financial instruments with original maturities of three months or less from the date of purchase to be cash equivalents. Cash and cash equivalents do not include cash held for long-term investing purposes.

Long-Term Investments

The estimated fair value of investments is based on quoted market prices, except for certain alternative investments, for which quoted market prices are not available. The estimated fair value of these investments is based on valuations provided by external investment managers. Because the alternative investments which

MOLLOY COLLEGE
Notes to Financial Statements
June 30, 2014 and 2013

consisted of private equity and hedge funds are not readily marketable, their estimated fair value is subject to uncertainty and therefore may differ from the value that would have been used had a ready market for such investments existed. Such differences could be material. The statement of activities recognizes unrealized gains and losses on investments as increases and decreases, respectively, in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulation.

Loans Receivable

Loans receivable represent student loans principally issued under the federal Perkins Student Loan program. Student loans are guaranteed by the federal government.

Property, Plant and Equipment

The College capitalizes assets acquired for \$1,000 or more with a useful life greater than one year. Property, plant and equipment are carried at cost for those assets purchased by the College. Fixed assets donated to the College are recorded at fair value as of the date of the donation.

Property, plant and equipment are depreciated beginning in the year they are placed in service using a half-year convention except for instances in which using the date the asset was placed in service to begin calculating depreciation is materially different than using the half-year convention. Depreciation is calculated using the straight-line method over the following useful lives:

Buildings	40 - 50 years
Improvements	10 - 20 years
Furniture, furnishings and equipment	5 - 10 years
Computers	3 - 5 years

Costs incurred for repairs, maintenance and minor improvements are charged to expense as incurred. Major improvements, which substantially extend the useful lives of the assets, are capitalized.

Refundable U.S. Government Grants

Funds provided by the federal government under the federal Perkins Student Loan program are loaned to qualified students and may be reloaned after collection. These funds are ultimately refundable to the government and are presented in the statement of financial position as a liability.

Revenue

Revenue is recorded on the accrual basis of accounting. The College derives its revenue primarily from student tuition and fees, government grants and aid, contributions and investment earnings. Summer tuition revenue has been apportioned between the fiscal years based on number of days in the respective year. The carrying value of student receivables has been reduced by an appropriate allowance for uncollectible accounts, based on historical collection experience, and therefore, approximates net realizable value. Receivables are written-off in the period in which they are deemed uncollectible and payments received subsequently are recorded as income in the period received. Amounts received in advance are reported as deferred revenues.

Contributions

The College records contributions of cash and other assets when an unconditional promise to give such assets is received from a donor. Contributions are recorded at the fair value of the assets received and are classified

MOLLOY COLLEGE
Notes to Financial Statements
June 30, 2014 and 2013

as either unrestricted, temporarily restricted or permanently restricted, depending on whether the donor has imposed a restriction on the use of such assets. Unconditional contributions to be received after one year are discounted using a credit risk adjusted rate. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any. An allowance for uncollectible contributions receivable is provided based on historical collection experience, an assessment of the creditworthiness of the respective donor and nature of fundraising activity. Receivables are written-off in the period in which they are deemed uncollectible and payments received subsequently are recorded as income in the period received.

The College reports gifts of cash or other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The College reports gifts of property, plant and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire assets are reported as temporarily restricted support. Absent explicit donor stipulations about how long such assets must be maintained, the College reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donor-restricted contributions whose restrictions are met in the same fiscal year as the receipts, are reported as unrestricted contributions. Donor-restricted contributions not met in the same fiscal year are recorded as temporarily restricted.

Accounting for Income Taxes

The College recognizes the tax effects from an uncertain tax position in the financial statements only if the position is “more-likely-than-not” to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The College is exempt from income taxes under IRC Section 501(c)(3), though they are subject to tax on income unrelated to its exempt purposes, unless that income is otherwise excluded by the Code. The tax years ending 2011, 2012, 2013 and 2014 are still open to audit for both federal and state purposes.

Functional Expenses

Expenses are allocated into functional categories on the statement of activities depending upon the ultimate purpose of the expenditure. Plant operation and maintenance, depreciation, amortization and accretion expenses, and interest expense have been allocated amongst the functional categories benefitted based on square footage.

Measure of Operations

The statement of activities presents the changes in net assets by distinguishing between operating and non-operating activities. Operating activities principally include all revenues and expenses that relate to the College’s educational programs, research, training, and supporting activities. Operating revenues also include interest and dividends earned on the College’s long-term investments. Unrestricted operating

MOLLOY COLLEGE
Notes to Financial Statements
June 30, 2014 and 2013

revenues also include release of temporarily restricted net assets in support of operating activities. Contributions, except for those intended for capital or endowment purposes are also included as operating revenues.

The College has defined non-operating activities principally to include realized and unrealized gains (losses) on long-term investments; capital campaign contributions added to the endowment or supporting major capital acquisition or construction; other grants supporting capital acquisition or construction; and net assets released from restrictions designated for capital expenditures. Certain other gains and losses considered to be of a more unusual or non-recurring nature are also included as part of non-operating activities.

Concentrations of Credit Risk

Cash and investments are exposed to various risks, such as interest rate, market and credit risks. To minimize such risks, the College maintains its cash in various bank deposit accounts which, at times, may exceed federally insured limits, and in a diversified investment portfolio. At June 30, 2014, the College's cash and investments were placed with high credit quality financial institutions and, accordingly, the College does not expect nonperformance.

Reclassification

Certain information in the fiscal 2013 financial statements has been reclassified to conform to the fiscal 2014 presentation. There were no changes in total assets, liabilities, revenues, expenses or changes in net assets as reflected in the 2013 financial statements.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Summarized Comparative Information

The statement of activities includes certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the College's audited financial statements as of and for the year ended June 30, 2013, from which the summarized information was derived.

Subsequent Events

The College evaluated its June 30, 2014 financial statements for subsequent events through October 14, 2014, the date the financial statements were issued. Except as discussed in Note 15 and as noted below, the College is not aware of any subsequent events which require recognition or disclosure in the accompanying financial statements.

In July 2014, the College entered into a Contract of Sale whereby Mercy Medical Center (the seller) will sell to Molloy (the purchaser) approximately 3.5 acres of land adjacent to the College. The purchase price is \$2,350,000 of which a payment of \$120,000 has been made and which is currently held in escrow. These

funds will be applied to the purchase price upon at closing or applied to rent in the event the contract is terminated and closing does not occur. It is anticipated that the land will be used for additional parking for students and staff.

In October 2013, the College entered into an agreement with FJC, A Foundation of Philanthropic Funds ("FJC") whereby the College transferred to FJC \$560,000 as collateral for a loan in the principal amount of \$560,000 from FJC to Collaborative Arts Project 21 ("CAP 21"). The funds are invested in a money market fund and investment income less any fees are included in the Statement of Activities as of June 30, 2014. The net investment income less fees totaled \$1,141 for the year ended June 30, 2014. As of June 30, 2014, there were no events of default relating to the loan from FJC to CAP 21.

The College uses the NAV per share for purposes of reporting the fair value of all its underlying investments which: (a) do not have a readily determinable fair value and (b) the investment managers prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company. The following table lists investments by major category, which have a reported fair value based on NAV:

5. STUDENT LOANS RECEIVABLE AND REFUNDABLE GOVERNMENT GRANTS

The College makes uncollateralized loans to students based on financial need under the Federal Perkins loan program. Student loans are funded through Federal government loan programs or institutional resources. At June 30, 2014 and 2013, student loans represented 1.7% of total assets. At June 30, 2014 and 2013, student loans for Federal government programs totaled \$2,551,646 and \$2,267,904, respectively. Of these amounts, as of June 30, 2014 and 2013, \$1,283,466 and \$1,184,247, respectively, were not yet in repayment status.

Amounts due under the Federal Perkins loan program are guaranteed by the government and therefore, no reserves are placed on any past due balances.

At June 30, 2014 and 2013, the following amounts were past due under the Federal Perkins student loan program.

June 30,	In Default < 240 Days (Monthly Installments) or 270 Days (Other Installments)	In Default > 240 Days (Monthly Installments) or 270 Days (Other Installments) and < 2 Years	In Default > 2 Years, Up to 5 Years	In Default > 5 Years	Total Past Due
2014	245,134	97,411	50,032	140,536	426,370
2013	172,923	46,742	64,879	126,176	442,625

The availability of funds for loans under the Federal Perkins loan program is dependent on reimbursement to the pool from repayments on outstanding loans. Funds advanced by the Federal government of \$1,575,333 and \$1,411,166 at June 30, 2014 and 2013, respectively, are ultimately refundable to the government and are classified as liabilities in the Statement of Financial Position. Outstanding loans cancelled under the program result in a reduction of the funds available for loan and a decrease in the liability to the government.

6. PROPERTY, PLANT AND EQUIPMENT, NET

Property, plant and equipment, net, consisted of the following at June 30, 2014 and 2013:

	2014	2013
Buildings	\$ 66,330,877	\$ 65,808,033
Furniture, furnishings and equipment	23,632,982	22,551,209

Construction in progress	<u>10,192,147</u>	<u>3,406,322</u>
	<u>\$ 84,209,754</u>	<u>\$ 77,940,127</u>

MOLLOY COLLEGE
Notes to Financial Statements
June 30, 2014 and 2013

Depreciation and amortization expense for the years ended June 30, 2014 and 2013 was \$4,862,480 and \$4,579,569, respectively.

7. CONDITIONAL ASSET RETIREMENT OBLIGATIONS

The College recognizes the cost associated with the eventual remediation and abatement of asbestos contained within its physical plant. The cost of the abatement is based upon the estimate of a contractor who specializes in such abatements. The College recognized accretion expense of \$86,488 and \$143,819 in fiscal 2014 and 2013, respectively, relating to this obligation. In 2014, as a result of the renovation of Maria Regina Hall into a residence hall, the College completed the abatement for Maria Regina. This resulted in the College recording a reduction to the costs associated with Maria Regina in the amount of \$198,321 and a reduction in the College's conditional asset retirement obligations of \$198,321. In 2013, the College updated its abatement cost estimates and relevant discount factors, which included a revision to the timing of performance of Maria Regina Hall abatement. This resulted in the College recording a net reduction in the College's conditional asset retirement obligations of \$54,278, resulting in a cumulative non-cash gain of \$198,097 which has been reflected as a component of non-operating activities in the accompanying 2013 Statement of Activities. At June 30, 2014 and 2013, the College's conditional asset retirement obligation was \$1,591,585 and \$1,703,418, respectively. The conditional asset retirement obligation was calculated using an inflationary rate ranging from 3.0% to 4.0% and a credit adjusted discount rate ranging from 5.5% to 6.0% for both fiscal years 2014 and 2013.

8. BONDS PAYABLE

In November 2009, the Town of Hempstead Local Development Corporation (the "Agency") issued \$50,000,000 of Revenue Bonds, Series 2009 (the "Series 2009 Bonds"), with maturities through 2039, at interest rates ranging from 5.0% through 2016, 5.25% through 2019, 5.75% through 2023, and, 5.75% through 2039, less a net discount of \$175,027.

The proceeds from the Series 2009 Bonds were used to finance the costs of certain facilities located on portions of the College's campus, consisting of (a) the acquisition, construction, furnishing and equipping of (i) an approximately 36,000 square foot residence hall, (ii) an approximately 59,000 square foot campus center and associated parking, and, (iii) an approximately 6,000 square foot two-story maintenance building, and, (b) the renovation and improvement of various walkways, parking areas, landscaped areas and courtyards located on the campus. Proceeds from the sale of the Series 2009 Bonds were also used to pay certain capitalized interest on the Series 2009 Bonds during the construction period and to pay costs of issuance totaling \$1,504,436, net of amortization of \$381,626 and \$298,060 at June 30, 2014 and 2013, respectively. Amortization expense of the cost of issuance, calculated using the effective interest method, for the years ended June 30, 2014 and 2013 was \$83,566 and \$86,548, respectively. The proceeds have been deposited with US Bank National Association, as Trustee (the "Trustee"). As of June 30, 2014 and 2013, cash and cash equivalents (primarily money market funds) with the Trustee were \$2,274,061 and \$2,250,257, respectively, and were considered Level 1 assets within the fair value hierarchy.

In accordance with the bond agreement, the payment of the principal and interest on the Series 2009 Bonds is an unconditional obligation of the College and is secured by a mortgage on the Rockville Centre campus and a pledge of gross revenues. Off-campus properties owned by the College will not be subject to the mortgage.

9. ENDOWMENTS

The College's endowment consists of 105 individual funds established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by US GAAP, net assets associated with endowment funds, including funds designated by the College's Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The primary investment objectives of the College are to provide funds for scholarships and the operation of the College and to maintain and enhance the value of the investment assets. The overall investment goal of the College therefore, is to achieve the proper balance between preservation of principal and current support and the need for real growth and future support.

The spending policy of the College is that the long-term target for the annual amount distributed from the investments shall be 5.0% or less of the investment balance. The investment balance shall be based on a 3-year moving average of fair values, adjusted for contributions and distributions.

In September 2010, the State of New York passed the New York Prudent Management of Institutional Funds Act ("NYPMIFA"), its version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"). All not-for-profit organizations formed in New York must apply this law.

The Board of Trustees of the College through its approved investment policy guidelines, has interpreted NYPMIFA to allow the College to spend below the historical dollar value of its endowment funds unless specific donors have stipulated to the contrary. At June 30, 2014, the College had not spent below the historical dollar value of its endowments.

June 30, 2014 and 2013

As a result of this interpretation, the College classifies as permanently restricted net assets (a) the original value of the gifts donated to its permanent endowment, (b) the original value of subsequent gifts to its permanent endowment, and (c) accumulations to its permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until such amounts are appropriated for expenditure by the Board of Trustees in a manner consistent with the standard of prudence prescribed by NYPMIFA. In accordance with NYPMIFA, the College considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds.

1. The duration and preservation of the fund.
2. The purpose of the College and its donor-restricted endowment fund.
3. General economic conditions.
4. The possible effect of inflation and deflation.
5. The expected total return from income and the appreciation of endowment investments.
6. Other resources of the College.
7. The investment policy of the College.
8. Where appropriate, alternatives to spending from its donor-restricted endowment fund and the possible effects on the College.

The following table summarizes endowment net asset composition by type of fund as of June 30, 2014:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>

Accordingly, such amounts remained within the board designated endowment.

From time to time, the fair value of the assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the College to retain as a fund of perpetual duration. In accordance with US GAAP, deficiencies of this nature are reported in unrestricted net assets. There were no underwater endowments as of June 30, 2014 or 2013.

The College, in the normal course of its operations, is a party to various legal proceedings and complaints, some of which are covered by insurance. While it is not feasible to predict the ultimate outcomes of such matters, management of the College is not aware of any claims or contingencies, which are not covered by insurance that would have a material adverse effect on the College's financial position, changes in net assets and cash flows.

The College has reintroduced the Theatre Arts major and has requested from the New York State Education Department a change in degree from a Bachelor of Arts to a Bachelor of Fine Arts. On September 20, 2013, as part of the plan to reintroduce the degree, the College entered into an agreement with Collaborative – Arts 21 (“CAP21”), a multi-purpose institution comprised of a theatre conservatory and a not-for-profit theatre company. The regular Liberal Arts curriculum will be taught on the campus of the College, while the studio courses focusing on musical theatre and instruction in acting, voice, dance, and scene study will be provided by CAP21 at their location in Manhattan. The initial term of the agreement shall extend through June 30, 2023 unless the College exercises its option to renegotiate the terms of the agreement as of June 30, 2018. The College's responsibilities under this agreement include (a) payment of a fee to CAP21 for each student enrolled in the CAP21 studio program, this fee will change annually through June 30, 2018 based on the actual enrollment; (b) payment to CAP21 of a consulting fee for curriculum development totaling \$150,000 in three equal installments of which \$150,000 has been paid through June 30, 2014; (c) upon CAP21's projection of operating results and cash flow for the 2014-2015 academic year, the College is required to make advance tuition payments not to exceed \$200,000 in equal installments on January 15, 2015 and April 15, 2015, which will be repaid to the College in academic years 2015-2016 and

On October 3, 2013, the College entered into a revolving line of credit agreement with Valley National Bank (the "Bank") whereby the Bank will extend credit to the College to a maximum of \$4,000,000. The aggregate principal balance outstanding will bear interest at the College's certificate of deposit rate plus 1% (1.5% as of June 30, 2014). In consideration of the Bank extending credit to the College, the College granted to the Bank a security interest in a certificate of deposit in the amount of \$4,500,000 which was established on October 4, 2013 and which matures on or about October 10, 2014. Accrued interest on the certificate of deposit totaled \$15,004 is included in prepaid expenses and other current assets on the Statement of Financial Position as of June 30, 2014. SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE

The following summarizes certain provisions of the Original Indenture, as supplemented and amended by the First Supplemental Indenture, collectively referred to as the Indenture, to which reference is made for the detailed provisions thereof. Certain provisions of the Indenture are also described in the Official Statement under the captions "INTRODUCTION" and "THE SERIES 2014 BONDS."

Authentication

No Series 2014 Bond shall be valid for any purpose or shall be entitled to any right or benefit under the Indenture unless there shall be endorsed on such Bond a Certificate of Authentication, duly executed by the Trustee, substantially in the form set forth in the Form of Series 2014 Bonds included in the First Supplemental Indenture as Exhibit A. Such executed Certificate of Authentication by the Trustee upon any such Series 2014 Bond shall be conclusive evidence that such Series 2014 Bond has been authenticated and delivered under the First Supplemental Indenture. The Trustee's Certificate of Authentication on any Series 2014 Bond shall be deemed to have been executed by it if signed by an authorized signatory of the Trustee, but it shall not be necessary that the same person sign the Certificate of Authentication on all of the Series 2014 Bonds issued under the Indenture. (*First Supplemental Indenture - Section 2.04*)

Mutilated, Lost, Stolen or Destroyed Bonds

(a) In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and, upon its request, the Trustee shall authenticate and deliver, a new Bond of like maturity, series, interest rate and principal amount and bearing the same number (or such number as the Trustee shall permit) as the mutilated, destroyed, lost or stolen Bond, in exchange for the mutilated Bond, or in substitution for the Bond so destroyed, lost or stolen. In every case of exchange or substitution, the applicant shall furnish to the Issuer and to the Trustee (i) such security or indemnity as may be required by them to hold each of them harmless from all risks, however remote, and (ii) evidence to their satisfaction of the mutilation, destruction, loss or theft of the applicant's Bond and of the ownership thereof. Upon the issuance of any Bond upon such exchange or substitution, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees, of the Issuer or the Trustee. In case any Bond which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Issuer may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and to the Trustee such security or indemnity as they may require to hold them harmless and evidence to the satisfaction of the Issuer and the Trustee of the mutilation, destruction, loss or theft of such Bond and of the ownership thereof.

(b) Every new Bond issued pursuant to the provisions of the Indenture shall constitute an additional contractual, special obligation of the Issuer (whether or not the destroyed, lost or stolen Bond shall be found at any time after the issuance of such new Bonds, in which case the destroyed, lost or stolen Bond shall be void and unenforceable) and shall be entitled to all the benefits of the Indenture equally and proportionately with any and all other Bonds duly issued under the Indenture.

(c) All Bonds shall be held and owned upon the express condition that the provisions of under this heading are exclusive, with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude all other rights or remedies, notwithstanding any law or statute existing or enacted to the contrary after the date of the Indenture. *(Section 2.09)*

Additional Bonds

(a) So long as the Indenture is in effect, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance for the purpose of (i) financing additional costs with respect to the Project, (ii) providing funds in excess of Net Proceeds to repair, relocate, replace, rebuild or restore the Project in the event of damage, destruction or taking by eminent domain, (iii) providing extensions, additions, improvements or facilities to the Project, the purpose of which shall be to constitute a “project” within the meaning of the Act, (iv) funding the costs of acquiring, constructing, equipping and start-up costs of any capital project of the College that qualifies as a “Project” under the Act, (v) refunding Outstanding Bonds or Indebtedness of the College or (vi) refunding any other Indebtedness or bonds for which the College is the primary obligor, or for which the College is responsible for paying the debt service payments in connection therewith, or which the College has guaranteed. Such Additional Bonds shall be payable from the receipts and revenues payable to the Issuer from a Loan Agreement between the Issuer and the College. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture in connection therewith, (x) the Issuer and the College shall enter into a new Loan Agreement providing, among other things, that the payments payable under the new Loan Agreement shall be computed so as to amortize in full the principal of and interest on such Additional Bonds and any other costs in connection therewith and (y) the Mortgage shall be amended, modified or supplemented and consolidated to secure such series of Additional Bonds and the pledge of Gross Revenues shall be extended to secure such Series of Additional Bonds.

(b) Each such series of Additional Bonds shall be deposited with the Registrar and thereupon shall be authenticated by the Authenticating Agent. Upon payment to the Trustee of the proceeds of sale of the Additional Bonds, they shall be delivered by the Registrar at the direction of the Trustee to or upon the order of the purchaser or purchasers thereof, but only upon receipt by the Trustee of:

(i) a copy of the resolution, duly certified by the Chairman, Vice Chairman, Secretary, Assistant Secretary or Executive Director and Chief Executive Officer of the Issuer, authorizing, issuing and awarding the Additional Bonds to the purchaser or

purchasers thereof and providing the terms thereof and authorizing the execution of any Supplemental Indenture and any amendments of or supplements to the Sublease Agreement;

(ii) original executed counterparts of the Supplemental Indenture and the new Loan Agreement, expressly providing that, to the extent applicable, for all purposes of the Supplemental Indenture and the new Loan Agreement, the project referred to therein and the premises financed or refinanced thereunder shall include the buildings, structures, improvements, machinery, equipment or other facilities being financed, and the Bonds referred to therein shall mean and include the Additional Bonds being issued as well as the Bonds now being issued and any Additional Bonds theretofore issued;

(iii) a written opinion of Bond Counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized and that all conditions precedent to the delivery thereof have been fulfilled;

(iv) a certificate of an Authorized Representative of the College to the effect that each Bond Document, as amended, to which it is a party continues in full force and effect and that there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default;

(v) an original, executed counterpart of the amendment to each Bond Document;

(vi) an executed municipal bond insurance policy issued by a bond insurer or other credit facility issued by a bank which guarantees or secures the payment of principal of and interest on the Additional Bonds, in each case, only if such Additional Bonds are to be insured by a bond insurer or secured by a credit facility issued by a bank; and

(vii) a written order to the Trustee executed by an Authorized Representative of the Issuer to authenticate and deliver the Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price therein specified, plus accrued interest, if any; and

(viii) a certificate of the Chief Financial Officer of the College evidencing that the issuance of such series of Additional Bonds complies with the Series 2009 Loan Agreement.

(c) (i) Upon the request of the College, one or more series of Additional Bonds may be authenticated and delivered upon original issuance to refund ("Refunding Bonds") all Outstanding Bonds or any part of Outstanding Bonds. Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of the Indenture and of the resolution authorizing said Refunding Bonds. In the case of the refunding under the provisions the Indenture under this heading of less

than all Bonds Outstanding, the Trustee shall proceed to select such Bonds in accordance with the Indenture.

(ii) Refunding Bonds may be authenticated and delivered only upon receipt by the Trustee (in addition to the receipt by it of the documents required by paragraph (b) above, as may be applicable) of:

(A) Irrevocable written instructions from the Issuer to the Trustee, at least forty-five (45) days prior to the Redemption Date, satisfactory to the Trustee, to give due notice of redemption pursuant to the Indenture to the Holders of all the Outstanding Bonds to be refunded prior to maturity on the Redemption Date specified in such instructions;

(B) Either:

(1) moneys in an amount sufficient to effect payment at maturity or upon redemption at the applicable Redemption Price, together with accrued interest on such Bonds to the maturity or Redemption Date, which moneys shall be held by the Trustee or any Paying Agent in a separate account irrevocably in trust for and assigned to the respective Holders of the Outstanding Bonds being refunded, which moneys shall be held in trust and used as provided in the Indenture, or

(2) Government Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of the Indenture, and any moneys required pursuant to said Section (with respect to all Outstanding Bonds or any part of one or more series of Outstanding Bonds being refunded), which Government Obligations and moneys shall be held in trust and used only as provided in the Indenture.

(iii) The College shall furnish to the Trustee and the Issuer at the time of delivery of the Series of Refunding Bonds a certificate of an independent public accountant stating that the Trustee and/or the Paying Agent (and/or any escrow agent as shall be appointed in connection therewith) hold in trust the moneys or such Government Obligations and moneys required to effect such payment at maturity or earlier redemption.

(d) Each Series of Additional Bonds issued pursuant to the Indenture shall be equally and ratably secured under the Indenture with the Bonds and all other Series of Additional Bonds, if any, issued pursuant to the Indenture, without preference, priority or distinction of any Bond over any other Bonds except as expressly provided in or permitted by the Indenture.

(e) Notwithstanding anything herein to the contrary, no series of Additional Bonds shall be issued unless: (i) at the time of issuance of such Series of Additional Bonds and after the application of proceeds thereof, there is no Event of Default under any Bond Document; (ii) the Loan Agreement is in effect and at the time of issuance there is no Event of Default under any such document nor any event which upon notice or lapse of time or both would become such an Event of Default; and (iii) the Rating Agency, if any, has confirmed in writing that the issuance of such Additional Bonds will not result in a reduction or withdrawal of the then current rating on the Bonds Outstanding.

(f) The Supplemental Indenture providing for the issuance of any Series of Additional Bonds shall contain applicable provisions for the payment of principal of, Redemption Price of, and interest on such Series of Additional Bonds including any interest rate modes applicable to such Series of Additional Bonds, redemption provisions applicable to such Series of Additional Bonds, such Funds, Accounts or subaccounts to be created or held by the Trustee under the Indenture with respect to such Series of Additional Bonds, collateral and security (including credit facilities securing such Series of additional Bonds) and such other terms and provisions as the Issuer may determine are necessary in connection with the issuance of such Additional Bonds. (*Section 2.14*)

Moneys to Be Held in Trust

All moneys deposited with, paid to or received by the Trustee for the accounts of the Issuer (other than amounts deposited in the Rebate Fund) shall be held by the Trustee in trust, and shall be subject to the lien of the Indenture and held for the security of the Owners of the particular Series of Bonds until paid in full; provided, however, that moneys which have been deposited with, paid to or received by the Trustee (i) for the redemption of a portion of the particular Series of Bonds, notice of the redemption of which has been given, or (ii) for the payment of the particular Series of Bonds or interest thereon due and payable otherwise than upon acceleration by declaration, shall be held in trust for and subject to a Lien in favor of only the Owners of such Series of Bonds so called for redemption or so due and payable. Upon the issuance of any series of Additional Bonds pursuant to the Indenture, the Supplemental Indenture entered into with such series of Additional Bonds shall create such Funds and Accounts and/or subaccounts within any Account with respect to such series of Bonds. (*Section 4.03*)

Use of the Moneys in Project Fund

(a) Moneys in the Project Fund shall be applied and expended by the Trustee in accordance with the provisions of the Indenture and of the Loan Agreement.

(b) On each Debt Service Payment Date during the Construction Period, the Trustee is authorized and directed to transfer from the Series 2014 Capitalized Interest Account to the Series 2014 Interest Sub-Account of the Interest Account of the Bond Fund an amount necessary to pay interest on the Series 2014 Bonds on such Debt Service Payment Date. The Trustee shall maintain adequate records pertaining to the Series 2014 Capitalized Interest Account of Project Fund and all disbursements therefrom

soon as practicable and in any event not more than sixty (60) days after the date of the filing with the Trustee of the Completion Certificate referred to in the preceding sentence, any balance remaining in the Series 2014 Construction Account of the Project Fund, except amounts the College shall have directed the Trustee, in writing, to retain for any Cost of the Series 2014 Project not then due and payable, and after the making of any transfer to the Rebate Fund that the College shall have directed the Trustee, in writing, to make as required by the Tax Compliance Agreement and the Indenture, shall without further authorization be transferred to the Bond Fund and thereafter applied as provided in the Indenture

(e) Within sixty (60) days after transfer of the balance in the Project Fund relating to the Bonds to the Bond Fund, the Trustee shall file an accounting thereof with the Issuer and the College and the Trustee shall call the Bonds for redemption pursuant to the Indenture.

(f) All earnings on amounts held in the Project Fund shall be retained in the respective account of the Project Fund until the Completion Date. Any transfers by the Trustee of amounts to the Rebate Fund (only at the direction of the College) shall be drawn by the Trustee from the Project Fund.

(g) If an Event of Default under the Indenture shall have occurred and the outstanding principal amount of the Bonds shall have been declared due and payable, the entire balance remaining in the Project Fund, after making any transfer to the Rebate Fund directed to be made by the College pursuant to the Tax Compliance Agreement and the Indenture, shall be transferred to the Bond Fund. *(Section 4.04)*

Payments into Bond Fund

In addition to the payment into the Bond Fund of the accrued interest, if any, on the Bonds pursuant to the Indenture, there shall be deposited in the Bond Fund, as and when received (a) all payments received by the Trustee under the Loan Agreement with respect to the payment of debt service on any Series of Bonds; (b) amounts transferred from the Capitalized Interest Account to the applicable interest subaccount of the Interest Account pursuant to the Indenture; (c) the balance in the Project Fund and the Renewal Fund to the extent specified in the Indenture; (d) amounts transferred from the Gross Revenue Fund pursuant to the Indenture; (e) the amount of net income or gain received from the investments of moneys in the Bond Fund and all Funds and Accounts (other than the Rebate Fund) held under the Indenture after the Completion Date; (f) amounts transferred pursuant to the Loan Agreement and (g) all other moneys received by the Trustee pursuant to any of the provisions of the Loan Agreement or the Indenture and designated for deposit in the Bond Fund. *(Section 4.05)*

Use of Moneys in Bond Fund

Except as otherwise expressly provided in the Indenture, moneys in the Bond Fund shall be used solely for the purchase or redemption of the Bonds as provided in the

Indenture. Moneys deposited in the Bond Fund in accordance with the provisions of the Indenture, however, may not be used for the payment of interest on the Bonds.

(b) The Trustee shall, on or before each Debt Service Payment Date of the Bonds, pay out of the monies then held for the credit of the Interest Account the amounts required for the payment of interest becoming due on the respective series of the Bonds on such Debt Service Payment Date, and such amounts so withdrawn are irrevocably dedicated for and shall be applied to the payment of interest.

(c) The Trustee shall, on or before each Debt Service Payment Date, when principal of the Bonds or Sinking Fund Payments are due, pay out of the monies then held for the credit of the Principal Account the amounts required for the payment of principal or Sinking Fund Payments becoming due at maturity, on a Sinking Fund Payment Date, or upon redemption of the respective series of the Bonds on such Debt Service Payment Date or Sinking Fund Payment Date and such amounts so withdrawn are irrevocably dedicated for and shall be applied to the payment of principal or Sinking Fund Payments.

(d) Moneys transferred to the Bond Fund from the Project Fund pursuant to the Indenture, from the Renewal Fund pursuant to the Indenture or transferred to the Bond Fund pursuant to the Loan Agreement shall be invested, at the written direction of the College with yield not in excess of (i) the yield on the Bonds or (ii) yield on tax-exempt obligations as described in Section 148(b)(3) of the Code, subject to limitations on earnings as set forth in the Tax Compliance Agreement, and such moneys and earnings thereon shall be applied only to pay the principal of the Bonds as they become due and payable or the Redemption Price of Bonds subject to redemption pursuant to the Indenture.

(e) In the event there shall be on any Debt Service Payment Date, a deficiency in the Bond Fund (a "**Payment Deficiency**"), with respect to any Bond or Series of Bonds, the Trustee shall make up any such deficiency from the Gross Revenue Fund to the extent of the amounts in the Gross Revenue Fund, by the withdrawal of monies from the Gross Revenue Fund, to the extent available and by the sale or redemption of securities held in the Gross Revenue Fund sufficient to make up any deficiency. The Issuer shall charge the College a late payment penalty under the Loan Agreement in the amounts certified by the Trustee required to make up any deficiencies in the Gross Revenue Fund.

(f) The Trustee shall call the Bonds for redemption according to the Indenture, upon written direction of the Issuer or the College to the Trustee, on or after the date the Bonds are subject to optional redemption pursuant to the Indenture, whenever the assets of the Bond Fund shall be sufficient in the aggregate to provide monies to pay, redeem or retire all the Bonds then Outstanding or to redeem the Bonds in part pursuant to the Indenture, including accrued interest thereon to the Redemption Date. The Trustee shall call any series of Additional Bonds for redemption in accordance with the Supplemental Indenture providing for the issuance of such series of Additional Bonds.

(g) Moneys in the Bond Fund shall be used by the Trustee, upon request of an Authorized Representative of the College, to purchase the Bonds on the most advantageous terms obtainable with reasonable diligence, provided that no such purchase shall be made:

(i) if an Event of Default under the Loan Agreement or the Mortgage has occurred and is continuing;

(ii) within forty-five (45) days prior to any date on which Series of Bonds are subject to redemption pursuant to the Indenture;

(iii) if the amount remaining in the Bond Fund, after giving effect to such purchase, is less than the amount required for the payment of the principal or Redemption Price of the Bonds theretofore matured or called for redemption, plus interest to the date of maturity or the Redemption Date, as the case may be, in all cases where such Series of Bonds have not been presented for payment; or

(iv) at a price in excess of that specified by the College in its request to the Trustee, plus accrued interest to the date of purchase.

The Trustee shall promptly notify the Issuer and the College of the principal amount and the maturity of each Series of Bond so purchased and the balance held in the Bond Fund after such purchase.

(h) In connection with the purchase of the Bonds with moneys on deposit in the Bond Fund as provided in paragraph (g) above, the Trustee shall negotiate or arrange for such purchases in such manner (through brokers or otherwise and with or without receiving tenders) as it shall in its discretion determine.

(i) If the balance in the Bond Fund, not otherwise required for scheduled payments of principal of, Redemption Price or interest on the Bonds, forty-five (45) days prior to any date on which Series of Bonds are subject to redemption pursuant to the Indenture equals or exceeds \$50,000, the Trustee shall, upon request of an Authorized Representative of the College, apply as much of such balance as can be so applied to the redemption of Bonds on such next succeeding Redemption Date in the manner provided in the Indenture. The Trustee shall promptly notify the Issuer and the College of the principal amount and maturity of each Series of Bonds so redeemed and the balance held in the Bond Fund after such redemption.

(j) Whenever the amount in the Bond Fund is sufficient to redeem all of the Outstanding Bonds and to pay accrued interest to maturity or the date of redemption, the Trustee shall, upon request of an Authorized Representative of the College, take and cause to be taken the necessary steps to redeem all such Bonds on the next succeeding Redemption Date for which the required redemption notice may be given or on such later Redemption Date as may be specified by the College. (*Section. 4.06*)

Payments into Renewal Fund; Application of Renewal Fund

(a) The Net Proceeds resulting from any insurance award, condemnation award or recovery from any contractor or subcontractor with respect to the Project shall be deposited in the Renewal Fund. The amounts in the Renewal Fund shall be subject to a security interest, lien and charge in favor of the Trustee until disbursed as provided in the Indenture.

(b) If the College elects to replace, repair, rebuild, restore or relocate the Project pursuant to the Loan Agreement, the Trustee shall, at the written direction of the College, apply the amounts on deposit in the Renewal Fund, after making any transfer to the Rebate Fund, at the written direction of the College, as required by the Tax Compliance Agreement and the Indenture, to such replacement, repair, rebuilding, restoration or relocation. Upon the completion of such replacement, repair, rebuilding, restoration or relocation, and after making any transfer to the Rebate Fund, at the written direction of the College, as required by the Tax Compliance Agreement and the Indenture, any balance remaining in the Renewal Fund shall without further authorization be transferred to the Bond Fund and applied as provided in the Indenture. If the College elects not to replace, repair, restore or relocate the Project pursuant to the Loan Agreement, any balance remaining in the Renewal Fund shall without further authorization be transferred to the Bond Fund and applied as provided in the Indenture.

(c) If any Event of Default shall exist at the time of the receipt by the Trustee of the Net Proceeds in the Renewal Fund and be continuing, the Trustee, unless it exercises the remedy provided by the Loan Agreement, shall, after making any transfer to the Rebate Fund, at the written direction of the College, as required by the Tax Compliance Agreement and the Indenture, transfer the amounts deposited in the Renewal Fund to the Bond Fund to be applied in accordance with the Indenture.

(d) If the College elects to replace, repair, rebuild, restore or relocate the Project pursuant to the Loan Agreement, the Trustee is authorized to apply the amounts in the Renewal Fund to the payment (or reimbursement to the extent the same shall have been paid by or on behalf of the College or the Issuer) of the costs required for the replacement, repair, rebuilding, restoration or relocation of the Project. The Trustee is further authorized and directed to issue its checks for each disbursement from the Renewal Fund upon a requisition submitted to the Trustee and signed by an Authorized Representative of the College. Such requisition shall be in the same form and subject to the same conditions as requisitions from the Project Fund. (*Section 4.07*)

Investment Earnings on Funds; Application of Investment Earnings on Funds

(a) All investment income or earnings on amounts held in the Project Fund, the Renewal Fund, the Bond Fund or any other special fund held under any of the Bond Documents (other than the Rebate Fund) prior to the Completion Date shall be deposited upon receipt by the Trustee into the Project Fund and used for the purposes set forth in the Indenture and after the Completion Date shall be used to pay any remaining sums due

for costs of the Project not previously paid, or deposited by the Trustee into the Interest Account of the Bond Fund and used to pay the interest component of the next upcoming Debt Service Payment. The Trustee shall keep separate accounts of all investment earnings from each fund and account under the Indenture to indicate the source of the income or earnings.

(b) Within thirty (30) days after the end of each Computation Period, the Trustee, at the written direction of an Authorized Representative of the College, shall transfer to the Rebate Fund instead of the Project Fund or the Interest Account of the Bond Fund an amount of the investment earnings on the funds and accounts under the Indenture, such that the amount transferred to the Rebate Fund is equal to that amount as is set forth as the Rebate Amount in a written certificate delivered by the College to the Trustee pursuant to the Tax Compliance Agreement and the Indenture. *(Section 4.08)*

Payments into Rebate Fund; Application of Rebate Fund

(a) The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Owner of any Series of Bond or any other Person.

(b) The Trustee, upon the receipt of a certification of the Rebate Amount from an Authorized Representative of the College, shall transfer, from moneys in the Project Fund or the Renewal Fund, or from any other moneys paid by the College under the Tax Compliance Agreement, into the Rebate Fund, within thirty (30) days after the end of each Bond Year, an amount such that the amount held in the Rebate Fund after such deposit is equal to the Rebate Amount calculated as of the last day of the immediately preceding Bond Year. If there has been delivered to the Trustee a certification of the Rebate Amount in conjunction with the completion of the Project pursuant to the Loan Agreement at any time during a Bond Year, the Trustee shall deposit in the Rebate Fund within thirty (30) days of the Completion Date an amount received from the College such that the amount held in the Rebate Fund after such deposit is equal to the Rebate Amount calculated at the completion of the Project. The amount deposited in the Rebate Fund pursuant to the provisions of the Indenture summarized in this paragraph shall be paid by the College pursuant to the Tax Compliance Agreement.

(c) In the event that on the first day of any Bond Year the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Trustee, upon the receipt of written instructions from an Authorized Representative of the College, shall withdraw such excess amount and deposit it in the Project Fund until the completion of the Project, or, after the Completion Date, deposit it in the Bond Fund.

(d) The Trustee, upon the receipt of written instructions from an Authorized Representative of the College, shall pay to the United States, out of amounts in the Rebate Fund, (i) not later than thirty (30) days after the last day of the fifth Bond Year and after every fifth Bond Year thereafter, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to ninety

percent (90%) of the Rebate Amount with respect to the Bonds as of the date of such payment, and (ii) notwithstanding the provisions of the Indenture, not later than thirty (30) days after the date on which all Bonds have been paid in full, one hundred (100%) percent of the Rebate Amount as of the date of payment.

(e) The Trustee shall have no obligation under the Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from the College to make such transfer. *(Section 4.09)*

Payments into Gross Revenue Fund; Application of Gross Revenue Fund

(a) There shall be credited to the Gross Revenue Fund all amounts received by the Trustee pursuant to an assignment for such purpose described in the Loan Agreement and other such amounts as the College may from time to time deposit with the Trustee for such purpose.

(b) Subject to paragraph (d) below, amounts credited to the Gross Revenue Fund shall not be subject to withdrawal by the College without the prior written consent of the Issuer and the Trustee.

(c) The Trustee shall on the first Business Day of each month commencing on the first Business Day of the first full month following a Triggering Event, apply amounts credited to the Gross Revenue Fund in accordance with the following priorities:

- (i) first, to pay interest on the Bonds ;
- (ii) second, to pay principal of, or Sinking Fund Payments on, the Bonds;
- (iii) third, to pay the Basic Operating Costs of the College as certified to the Trustee and the Issuer by the College, provided, however, such amount may not exceed the amount set forth for such calendar month in the Annual Budget of the College submitted by the College to the Issuer and the Trustee; and
- (iv) fourth, any remaining amounts shall remain in the Gross Revenue Fund.

(d) Notwithstanding anything to the contrary in the Indenture, the Trustee shall release the amounts credited to the Gross Revenue Fund in accordance with the written direction of the College at such time as (i) no Triggering Event has occurred during the preceding twenty-four (24) full calendar months and (ii) no Event of Default has occurred and is continuing. *(Section 4.10)*

Investment of Moneys

(a) Moneys held in any fund established pursuant to the Indenture shall be invested and reinvested by the Trustee in Authorized Investments, pursuant to written direction by an Authorized Representative of the College, or pursuant to oral direction

promptly confirmed in writing by such Authorized Representative. Such investments shall mature in such amounts and have maturity dates or be subject to redemption at the option of the owners thereof on or prior to the date on which the amounts invested therein will be needed for the purposes of such fund or accounts. The Trustee may at any time sell or otherwise reduce to cash a sufficient amount of such investments whenever the cash balance in such fund or accounts is insufficient for the purposes thereof. Any such investments shall be held by or under control of the Trustee and shall be deemed at all times a part of the fund or the respective account within a fund or special trust account for which such moneys are invested, and the interest accruing thereon and any profit realized from such investment shall be credited to and held in and any loss shall be charged to the applicable fund.

(b) The Trustee may make any investment permitted by the Indenture through its own bond department. The Trustee shall not be liable for any depreciation in the value of any investment made pursuant to the Indenture or for any loss arising from any such investment.

(c) Any investment authorized in the Indenture is subject to the condition that no use of the proceeds of any Bonds or of any other moneys shall be made which, if such use had been reasonably expected on the date of issue of such Bonds, would cause such Bonds to be “arbitrage bonds” within the meaning of such quoted term in Section 148 of the Code. The Trustee shall not be liable if such use shall cause the Bonds to be “arbitrage bonds”, provided only that the Trustee shall have made such investment pursuant to the written direction or confirmation by an Authorized Representative of the College as provided in the Indenture.

(d) Reserved.

(e) The Trustee shall, at the written direction of the College, sell at the best price obtainable by the Trustee, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide monies to meet any payment or transfer from the Fund or account for which such investment was made. *(Section 4.11)*

Payment to College upon Payment of Bonds

Except as otherwise specifically provided in the Indenture, after payment in full of the principal or Redemption Price of and interest on all the Bonds or any Series of Bonds (or after provision for the payment thereof has been made in accordance with the Indenture) and after payment in full of the fees, charges and expenses of the Trustee and any Paying Agent and all other amounts required to be paid under the Indenture, and the fees, charges and expenses of the Issuer and all other amounts required to be paid under the Loan Agreement, all amounts remaining in any fund established pursuant to the Indenture with respect to such Series of Bonds (except the Rebate Fund) or otherwise held by the Trustee and by any additional Paying Agent for the account of the Issuer or

the College under the Indenture or under the Loan Agreement shall be paid to the College. *(Section 4.12)*

Failure to Present Bonds

Subject to the provisions of the Indenture, in the event any Bond shall not be presented for payment when the principal or Redemption Price thereof becomes due, either at maturity or at the date fixed for prior redemption thereof or otherwise, if moneys sufficient to pay such Bond shall be held by the Trustee for the benefit of the Owner thereof, all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged. Thereupon, the Trustee shall hold such moneys, without liability for interest thereon, for the benefit of the Owner of such Bonds, who shall thereafter be restricted exclusively to such moneys for any claim under the Indenture or on, or with respect to, said Bond. If any Bond shall not be presented for payment within the period of two (2) years following the date when such Bond becomes due, whether by maturity or call for prior redemption or otherwise, the Trustee shall return to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitations, thereafter be an unsecured obligation of the Issuer. The Trustee shall, at least sixty (60) days prior to the expiration of such two (2) year period, give notice to any Owner who has not presented any Bond for payment that any moneys held for the payment of any such Bond will be returned as provided under this heading at the expiration of such two (2) year period. The failure of the Trustee to give any such notice shall not affect the validity of any return of funds pursuant to the provisions of the Indenture summarized under this heading. *(Section 5.11)*

Cancellation

All Bonds which have been paid, redeemed, purchased or surrendered shall be canceled and delivered by the Trustee to the Issuer. A copy of the canceled Bond or Bonds or other form of notice of such cancellation shall be delivered to the Issuer and to the College upon its written request. *(Section 5.12)*

Agreement to Provide Information

The Trustee agrees, whenever requested in writing by the Issuer or the College, to provide such information that is known to the Trustee relating to any Bonds as the Issuer or the College, from time to time, may reasonably request, including, but not limited to, such information as may be necessary to enable the Issuer or the College to make any reports required by any Federal, state or local law or regulation. *(Section 5.14)*

Discharge of Lien

(a) If the Issuer shall pay or cause to be paid to the Owners of any series of Bonds or of all Outstanding Bonds the principal thereof, redemption premium, if any, and interest thereon, at the times and in the manner stipulated therein and in the

Indenture, and if there shall have been paid all fees, charges and expenses required to be paid under the Indenture, then the Lien on the Trust Estate created under the Indenture for the benefit of the Owners of such Series of Bonds so paid shall be released, discharged and satisfied. In such event, except as otherwise specifically provided in the Indenture, the Trustee and any additional Paying Agent shall pay or deliver to the College all moneys or securities held by it pursuant to the Indenture which are not required for the payment of such Series of Bonds. The Issuer may pay or cause to be paid any Series of Bonds without at the same time paying or causing to be paid all other Series of Outstanding Bonds. If the Issuer does not pay or cause to be paid, at the same time, all Outstanding Bonds, then the Trustee and any additional Paying Agent shall not return those moneys and securities held under the Indenture as security for the benefit of the Owners of Bonds not so paid or caused to be paid.

(b) When all of the Outstanding Bonds shall have been paid in full, or provisions for such full payment of all Outstanding Bonds shall have been made in accordance with the Indenture, the Trustee and the Issuer shall promptly execute and deliver to the College such written certificates, instruments and documents as the College shall provide to cause the Lien of the Indenture upon the Trust Estate to be discharged and canceled.

(c) Notwithstanding the fact that the Lien of the Indenture upon the Trust Estate may have been discharged and canceled in accordance with the Indenture, the Indenture and the rights granted and duties imposed by the Indenture, to the extent not inconsistent with the fact that the Lien upon the Trust Estate may have been discharged and canceled, shall nevertheless continue and subsist until the principal or Redemption Price of and interest on all of the Bonds shall have been fully paid or the Trustee shall have returned to the Issuer pursuant to the Indenture all funds theretofore held by the Trustee for payment of any Bonds not theretofore presented for payment. *(Section 7.01)*

Discharge of Indenture

(a) Any Outstanding Bond or installments of interest with respect thereto shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning of, and with the effect expressed in, paragraph (a) under the heading "Discharge of Lien" immediately above if: (i) there shall have been deposited with the Trustee sufficient cash and/or Government Obligations, in accordance with paragraph (b) under this heading, which will, without further investment, be sufficient, together with the other amounts held for such payment, to pay the principal of the Series of Bonds when due or to redeem the Series of Bond on the earliest possible redemption date thereof at the Redemption Price specified in the Indenture or in a Supplemental Indenture with respect to such Series of Bonds, (ii) in the event such Series of Bonds are to be redeemed prior to maturity in accordance with the Indenture or in a Supplemental Indenture with respect to such Series of Bonds, all action required by the provisions of the Indenture to redeem the Series of Bonds shall have been taken or provided for to the satisfaction of the Trustee and notice thereof in accordance with the Indenture or in a Supplemental Indenture with respect to such Series of Bonds shall have been duly given

or provision satisfactory to the Trustee shall have been made for the giving of such notice, (iii) provision shall have been made for the payment of all fees and expenses of the Trustee and of any additional Paying Agent with respect to the Series of Bonds of which the Bond is a part, (iv) the Issuer shall have been reimbursed for all of its expenses under the Loan Agreement with respect to the Series of Bonds of which the Bond is a part, and (v) all other payments required to be made under the Loan Agreement and the Indenture or any Supplemental Indenture with respect to the Series of Bonds of which the Bond is a part shall have been made or provided for.

(b) For the purpose of the provisions of the Indenture summarized under this heading, the Trustee shall be deemed to hold sufficient moneys to pay the principal of an Outstanding Bond not then due or to redeem an Outstanding Bond prior to the maturity thereof only if there shall be on deposit with the Trustee and available for such purpose an amount of cash and/or a principal amount of Government Obligations, maturing or redeemable at the option of the owner thereof not later than (i) the maturity date of such Series of Bonds, or (ii) the first date following the date of computation on which such Series of Bonds may be redeemed pursuant to the Indenture (whichever may first occur), which, together with income to be earned on such Government Obligations prior to such maturity date or Redemption Date, equals the principal and redemption premium, if any, due on such Series of Bonds, together with all interest thereon (at the maximum applicable rate) which has accrued and which will accrue to such maturity or Redemption Date.

(c) Upon the defeasance of any series of Series of Bonds or of all Outstanding Bonds in accordance with the Indenture, the Trustee shall hold in trust, for the benefit of the Owners of such Series of Bonds, all such cash and/or Government Obligations, shall make no other or different investment of such cash and/or Government Obligations and shall apply the proceeds thereof and the income therefrom only to the payment of such Bonds. *(Section 7.02)*

Lien Law Section 73 Covenant

The College, for itself and as the Agent of the Issuer, covenants to the Issuer and to the Trustee, as a third-party beneficiary of the Indenture, that the College will receive advances of monies under the Bond Documents and will hold the right to receive such advances as trust funds to be first applied to the payment of trust claims as defined in Section 71 of the Lien Law of the State, and that the College will apply the same to such payments only, before using any part of such advances for any other purpose. *(Section 7.03)*

Events of Default

The following shall be “Events of Default” under the Indenture with respect to any Bond or any Series of Bonds:

(a) A default in the due and punctual payment of any interest or any principal, Sinking Fund Payments, or Redemption Price of any Bond, whether at the stated maturity thereof, upon proceedings for redemption thereof or upon the maturity thereof by declaration, or any other amounts due under the Indenture or the other Bond Documents or any other bond documents entered into in connection with any series of Additional Bonds; or

(b) A default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer contained in the Indenture or in any Series of Bonds and the continuance thereof for a period of thirty (30) days after written notice given by the Trustee or by the Owners of not less than fifty percent (50%) of the principal amount of the applicable Series of Bonds then Outstanding; or if such default cannot be cured within thirty (30) days, but the Issuer is proceeding diligently to cure such default, then the Issuer shall be permitted an additional ninety (90) days within which to remedy the default; or

(c) The occurrence of an Event of Default under any Loan Agreement.
(Section 8.01)

Acceleration; Annulment of Acceleration

(a) Upon the occurrence of an Event of Default under the Loan Agreement or any similar provision in any other Loan Agreement with respect to any Additional Bonds, all Series of Bonds Outstanding shall become immediately due and payable without action or notice of any kind on the part of the Trustee or the Issuer. Upon the occurrence and continuance of an Event of Default, the Trustee shall, by notice in writing delivered to the Issuer and the College, declare all Series of Bonds Outstanding immediately due and payable, and such Series of Bonds shall become and be immediately due and payable, anything in the Series Bonds or in the Indenture to the contrary notwithstanding. In such event, there shall be due and payable on the Series of Bonds an amount equal to the total principal amount of all such Series of Bonds, plus all interest accrued thereon and which will accrue thereon to the date of payment. If all of the Series of Bonds Outstanding shall become so immediately due and payable, the Issuer and the Trustee shall as soon as possible declare by written notice to the College all unpaid installments payable by the College under the Loan Agreement or any similar provision in any other Loan Agreement with respect to any Additional Bonds to be immediately due and payable.

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Trustee may annul such declaration and its consequences with respect to any Bonds not then due by their terms if (i) moneys shall have been deposited in the Bond Fund sufficient to pay all matured installments of interest and principal, Sinking Fund Payments, or the Redemption Price (other than principal then due only because of such declaration) of such Outstanding

Series of Bonds; (ii) sufficient moneys shall be available to pay the amounts described in the Indenture; (iii) all other amounts then payable by the Issuer under the Indenture shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every other Event of Default known to the Trustee (other than a default in the payment of the principal of such Bonds then due only because of such declaration) shall have been remedied to the satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

(c) Upon the occurrence and continuation of an Event of Default, the Bonds shall bear interest at the Default Rate from the date of the occurrence of such Event of Default until the Bonds have been paid pursuant to paragraph (a) above or such Event of Default has been cured. *(Section 8.02)*

Enforcement of Remedies

(a) Upon the occurrence and continuance of any Event of Default, and upon being provided with security or indemnity reasonably satisfactory to the Trustee against any liability or expense which might thereby be incurred, the Trustee shall proceed forthwith to protect and enforce its rights and the rights of the Owners under the Act, the applicable Series of Bonds and the applicable Loan Agreement by such suits, actions or proceedings as the Trustee, being advised by counsel, shall deem expedient.

(b) The Trustee acting directly may sue for, enforce payment of and receive any amounts due or becoming due from the Issuer or the College for principal, Redemption Price, interest or otherwise under any of the provisions of the Series of Bonds, the Bond Documents and any bond documents entered into in connection with any Series of Additional Bonds without prejudice to any other right or remedy of the Trustee or of the Owners.

(c) Regardless of the happening of an Event of Default, the Trustee shall have the right to institute and maintain such suits and proceedings as it may be advised by such Owners shall be necessary or expedient (i) to prevent any impairment of the security under the Indenture by any acts which may be unlawful or in violation of the Indenture or of any resolution authorizing any Series of Bonds, or (ii) to preserve or protect the interests of the Owners, provided that such request is in accordance with law and the provisions of the Indenture and is not unduly prejudicial to the interests of the Owners not making such request. *(Section 8.03)*

Appointment of Receivers

Upon the occurrence of an Event of Default and upon the filing of a suit or commencement of other judicial proceedings to enforce the rights of the Trustee or the Owners under the Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues and receipts

thereof, pending such proceedings, with such powers as the court making such appointment shall confer. *(Section 8.04)*

Application of Moneys

(a) The Net Proceeds received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall be, after paying the fees and expenses of the Trustee, deposited in the Bond Fund.

(b) All moneys held in a sub-account of the Bond Fund for any particular Series of Bonds during the continuance of an Event of Default shall be applied as follows:

(i) Unless the principal of all the Bonds of a particular series shall have become due or shall have been declared due and payable,

FIRST - To the payment of all installments of the interest then due, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment of interest, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto without any discrimination or preference; and

SECOND - To the payment of the unpaid principal or Redemption Price, if any, of any Series of Bonds or principal installments which shall have become due (other than any Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of the Indenture), in order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which such Bonds became due and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal and interest due on such date, to the Persons entitled thereto without any discrimination or preference; and

THIRD - To the payment of the principal or Redemption Price of and interest on such Bonds as the same become due and payable; and

(ii) If the principal of all such Bonds shall have become due or shall have been declared due and payable, to the payment of the principal and interest (at the rate or rates expressed thereon) then due and unpaid upon all such Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bonds of such series, ratably according to the amounts due respectively for principal and

interest, to the Persons entitled thereto without any discrimination or preference; and

(iii) If the principal of all such Bonds shall have been declared due and payable and if such declaration shall thereafter have been annulled pursuant to provisions of the Indenture, the moneys shall be applied in accordance with the provisions of paragraph (i) of this paragraph (b).

(c) Whenever moneys are to be applied by the Trustee pursuant to the provisions under this heading, such moneys shall be applied at such time or times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. On the date fixed by the Trustee for application of such moneys, interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the application of any such moneys and of the fixing of any such date. *(Section 8.05)*

Remedies Vested in Trustee

Except as otherwise provided in the Indenture, all rights of action (including the right to file proof of claim) under the Indenture or under any of the Series of Bonds may be enforced by the Trustee without possession of any of the Series of Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Owners of any of the Series of Bonds. Subject to the provisions of the Indenture, any recovery of judgment shall be for the equal benefit of the Owners of the Outstanding Bonds. *(Section 8.06)*

Remedies Not Exclusive

No remedy conferred upon or reserved to the Trustee or to the Owners by the Indenture is intended to be exclusive of any other remedy. Each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Owners under the Indenture or now or hereafter existing at law or in equity or by statute. *(Section 8.07)*

SUMMARY OF CERTAIN PROVISIONS OF THE SERIES 2014 LOAN AGREEMENT

The obligations of the College to make payments under the Series 2014 Loan Agreement are evidenced by a Promissory Note from the College to the Issuer and endorsed by the Issuer to the Trustee. The payments by the College under the Loan Agreement and the Promissory Note are intended as security for the Series 2014 Bonds. Reference is made to the Series 2014 Loan Agreement for complete details of the terms thereof. The following is a brief summary of certain provisions of the Series 2014 Loan Agreement and should not be considered a full statement thereof.

Loan of Series 2014 Bond Proceeds

The Issuer agrees to loan the Series 2014 Bond Proceeds to the College in accordance with the provisions of the Series 2014 Loan Agreement. Such Series 2014 Bond Proceeds shall be disbursed to the College in accordance with the provisions of the Series 2014 Loan Agreement and the Indenture. (*Section 5.1*)

Renovation, Construction, Equipping and Furnishing of Facility

(a) The College agrees, and covenants and warrants to the Issuer, it has or will renovate, construct, equip and furnish the Facility in accordance with the Plans and Specifications.

(b) The College may revise the Plans and Specifications from time to time, provided, however, if such revision shall include a material change to the Facility, the College shall first obtain the written approval of the Issuer, which approval may not be unreasonably withheld but may be subject to such conditions as the Issuer may deem appropriate.

(c) An interest in all materials, equipment, machinery and other items of Property incorporated or installed in the Facility shall vest in the College immediately upon the College's obtaining an interest in or title to the materials, equipment, machinery and other items of Property. The College shall execute, deliver and record or file all instruments necessary or appropriate so to vest an interest in the Facility and shall take all action necessary or appropriate to protect such interest against claims of any third Persons.

(d) The College shall pay all fees, costs and expenses incurred in the construction and renovation of the Improvements and the acquisition and installation of the Equipment from funds made available therefor in accordance with the Series 2014 Loan Agreement, and shall ask, demand, sue for, levy, recover and receive all such sums or money, debts, dues and other demands whatsoever which may be due, owing and payable to the College under the terms of any contract, order, receipt, or writing in connection with the construction, renovation and completion of the Improvements and

the acquisition and installation of the Equipment, and to enforce the provisions of any contract, agreement, obligation, bond or other performance security.

(e) Reserved.

(f) The College shall comply with all provisions of the Labor Law, the Executive Law and the Civil Rights Law of the State applicable to the construction, renovation, equipping and furnishing of the Facility and shall include in all construction contracts all provisions that be required to be inserted therein by such provisions. The College shall comply with the relevant policies of the Issuer with respect to such laws, which are set forth as Exhibit B attached to the Series 2014 Loan Agreement. Except as provided in the preceding two sentences, the provisions of this subsection do not create any obligations or duties not created by applicable law outside of the terms of the Series 2014 Loan Agreement. *(Section 4.1)*

Issuance of the Series 2014 Bonds; Disbursement of Bond Proceeds

In order to provide funds for payment of the Costs of the Series 2014 Project, together with other payments and incidental expenses in connection therewith, the Issuer agrees that it will authorize, issue, sell and cause the Series 2014 Bonds to be delivered on the terms set forth in the Indenture. Series 2014 Bond Proceeds shall be disbursed in accordance with the provisions of the Indenture and the Series 2014 Loan Agreement. *(Section 4.2)*

Application of Bond Proceeds

Except as provided in the Series 2014 Loan Agreement, the Series 2014 Bond Proceeds, upon the written direction of an Authorized Representative of the College, and on the conditions provided for in the Indenture, shall be applied to pay only the following costs and items of expense paid by or on behalf of the Issuer on or after November 17, 2011, except as may otherwise be provided under the Tax Compliance Agreement or included in a resolution of the Board of Trustees of the College indicating an intent to reimburse the College for Costs of the Series 2014 Project incurred prior to that date:

(i) the cost of preparing the Plans and Specifications (including any preliminary study or planning of the Facility or any aspect thereof),

(ii) all costs of renovating, constructing, equipping and furnishing the Facility (including environmental audits and architectural, engineering and supervisory services with respect to the Facility),

(iii) all fees, taxes, charges and other expenses for recording or filing, as the case may be, any documents that the Issuer or the Trustee may deem desirable in order to protect or perfect any security interest contemplated by the Indenture,

(iv) capitalized interest payable on the Series 2014 Bonds during the Construction Period of the Facility and principal and interest payable during the Construction Period on such interim financing as the College may have secured with respect to the Series 2014 Project in contemplation of the issuance of the Series 2014 Bonds,

(v) all legal, accounting and any other fees, costs and expenses incurred in connection with the preparation, printing, reproduction, authorization, issuance, execution, sale and distribution of the Series 2014 Bonds and the Series 2014 Bond Documents and all other documents in connection with the Series 2014 Loan Agreement or therewith, and with any other transaction contemplated by the Series 2014 Loan Agreement or the First Supplemental Indenture,

(vi) any administrative fee and fee for services of the Issuer, and

(vii) reimbursement to the College for any of the above-enumerated costs and expenses. *(Section 4.3)*

Certificates of Completion

To establish the Completion Date, the College shall deliver to the Issuer and the Trustee a Completion Certificate signed by an Authorized Representative of the College (i) stating that the renovation, construction, equipping and furnishing of the Facility to be paid for with Series 2014 Bond Proceeds has been substantially completed in accordance with the Plans and Specifications therefor; and (ii) stating that except for amounts retained in the Project Fund for the payment of incurred, but unpaid, items of the Costs of the Series 2014 Project or items when the College is then contesting the payment thereof, the payment for all labor, services, materials and supplies used in such renovation, construction, equipping and furnishing has been made or provided for. The College agrees to complete the renovation, construction, equipping and furnishing of the Facility on or before November 1, 2017 unless such date has been extended by the Issuer. The Issuer shall not extend such Completion Date unless the College has caused to be delivered to the Issuer and the Trustee an acceptable opinion of Bond Counsel stating that the extension of the Completion Date will not adversely affect the exclusion of interest on the Series 2014 Bonds, from gross income for Federal income tax purposes. Such Completion Certificate shall further certify as to the determination of the Rebate Amount as provided in the Tax Compliance Agreement and the Indenture and shall direct the Trustee to make any transfer to, or make payments of amounts for deposit in, the Rebate Fund. *(Series 4.4)*

Completion by College

(a) In the event that the Net Proceeds of the Series 2014 Bonds are not sufficient to pay in full the costs of renovating, constructing, equipping and furnishing the Facility in accordance with the Plans and Specifications, the College agrees to pay all

such sums as may be in excess of the Net Proceeds of the Series 2014 Bonds. The College shall execute, deliver and record or file such instruments as the Issuer or the Trustee may request in order to perfect or protect the Issuer's security interests contemplated by the Indenture, the Series 2014 Mortgages and the Note.

(b) The College shall not be entitled to any reimbursement for such excess cost or expense from the Issuer or the Trustee or the Owners of any of the Series 2014 Bonds, nor shall it be entitled to any diminution or abatement of any other amounts payable by the College under the Series 2014 Loan Agreement. (*Section 4.5*)

Loan Payments and Other Amounts Payable

(a) The College shall pay to the Issuer on the Closing Date the Issuer's administrative fee in the amount of \$151,942.50 (equal to the administrative fee of \$150,000.00, less the \$1,500 application fee previously paid to the Agency, plus \$350.50 public hearing transcript fees, plus \$592.00 public hearing legal notice fees and plus an initial compliance fee of \$2,500.00). In addition, the College shall pay to the Issuer an Annual Compliance Fee of \$1,000 on or before January 1 of each year commencing on January 1, 2015 and continuing through the term of the Series 2014 Loan Agreement. The College shall pay basic loan payments five (5) Business Days before the first Business Day of each month an amount equal to 1/6 of the next upcoming interest payment on the Series 2014 Bonds due and owing on the next Debt Service Payment Date, and 1/12 of the next upcoming principal payment or Sinking Fund Payment of the Series 2014 Bonds due and owing on the next Debt Service Payment Date; provided however, the College shall pay five (5) Business Days before December 1, 2014 and January 1, 2015 an amount equal to 1/2 of the interest payment due and owing on the January 1, 2015 Debt Service Payment Date; and provided however, the College shall commence making payments with respect to principal five (5) Business Days before July 1, 2016. The College's obligation to pay such basic loan payments shall be evidenced by the Promissory Note, substantially in the form attached to the Series 2014 Loan Agreement as Exhibit C.

(b) In addition to the Loan Payments pursuant to paragraph (a) above, throughout the Loan Term, the College shall pay to the Issuer as additional loan payments, within fifteen (15) days of the receipt of demand therefor, an amount equal to the sum of the expenses of the Issuer and the members thereof incurred (i) by reason of the Issuer's financing of the Series 2014 Project, or (ii) in connection with the carrying out of the Issuer's duties and obligations under the Issuer Documents, the payment of which is not otherwise provided for under the Series 2014 Loan Agreement. Other than the Annual Compliance Fee, the foregoing shall not be deemed to include any annual or continuing administrative or management fee beyond any initial administrative fee or fee for services rendered by the Issuer.

(c) In addition, the College shall pay as additional loan payments within fifteen (15) days after receipt of a written demand therefor the Ordinary Expenses and

Extraordinary Expenses payable by the Issuer to the Trustee pursuant to and under the Indenture.

(d) The College, under the provisions of the Series 2014 Loan Agreement summarized under this heading, agrees to make the above-mentioned payments in immediately available funds and without any further notice in lawful money of the United States of America. In the event the College shall fail timely to make any payment required under the provisions of the Series 2014 Loan Agreement summarized under paragraph (a) above, the College shall pay the same together with all late payment penalties specified in the Series 2014 Bonds. In the event the College shall fail timely to make any payment required in paragraph (b) above, the College shall pay the same together with interest on such payment at the per annum rate of ten percent (10%), but in no event at a rate higher than the maximum lawful prevailing rate, from the date on which such payment was due until the date on which such payment is made. *(Section 5.3)*

Obligations of College Under the Series 2014 Loan Agreement Unconditional

The obligations of the College to make the payments required in the Series 2014 Loan Agreement, and to perform and observe any and all of the other covenants and agreements on its part contained in the Series 2014 Loan Agreement, shall be a general obligation of the College, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Issuer. The College agrees it will not (i) suspend, discontinue or abate any payment required under the Series 2014 Loan Agreement, (ii) fail to observe any of its other covenants or agreements in the Series 2014 Loan Agreement, or (iii) terminate the Series 2014 Loan Agreement for any cause whatsoever unless and until the Series 2014 Bonds, including premium, if any, and interest thereon, have been paid or provided for.

Subject to the foregoing provisions, nothing contained in the provisions of the Series 2014 Loan Agreement summarized under this heading shall be construed to release the Issuer from the performance of any of the agreements on its part contained in the Series 2014 Loan Agreement or to affect the right of the College to seek reimbursement from, or institute any action against any party as the College may deem necessary to compel performance or recover damages for non-performance from such party. *(Section 5.4)*

Payment of Additional Moneys in Prepayment of Series 2014 Bonds

In addition to any other moneys required or permitted to be paid pursuant to the Series 2014 Loan Agreement, the College may, subject to the terms of the Indenture, pay moneys to the Trustee (i) to be applied as the prepayment of amounts to become due and payable by the College pursuant to the Series 2014 Loan Agreement and the Promissory Note, or (ii) to be used for the redemption or prepayment of any Series 2014 Bonds at such time or times and on such terms and conditions as is provided in such Series 2014 Bonds and in the Indenture. The College shall notify the Issuer and the Trustee in writing as to the purpose of any such payment. *(Section 5.5)*

Rights and Obligations of the College upon Prepayment of Series 2014 Bonds

In the event the Series 2014 Bonds shall have been paid in full prior to the termination of the Series 2014 Loan Agreement, or provision for such payment shall have been made in accordance with the Indenture, the Issuer, at the sole cost of the College, shall obtain and record or file appropriate discharges or releases of the Series 2014 Mortgages and the Note or the Series 2014 Loan Agreement and any terminations, discharges or releases of any security interest relating to the Series 2014 Project or under the Indenture. *(Section 5.6)*

Maintenance and Modifications of Facility by College

a) The College shall not abandon the Facility or cause or permit any waste to the Improvements. During the Loan Term, the College shall not remove any part of the Facility outside of the jurisdiction of the Issuer and shall (i) keep the Facility in as reasonably safe condition as its operations shall permit; (ii) make all necessary repairs and replacements to the Facility (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen); and (iii) operate the Facility in a sound and economic manner.

(b) With the written consent of the Issuer, which shall not be unreasonably withheld, the College, from time to time, may make any material structural additions, modifications or improvements to the Facility or any part thereof, provided (i) such actions do not adversely affect the structural integrity of the Facility, (ii) such actions do not materially impair the use of the Facility or materially decrease their value. All such additions, modifications or improvements made by the College shall become a part of the Facility. The College agrees to deliver to the Agency all documents which may be necessary or appropriate to protect the lien of the Series 2014 Mortgages. *(Section 6.1)*

Installation of Additional Equipment

Subject to the provisions of the Series 2014 Loan Agreement and the Series 2014 Mortgages, the College or any permitted sublessee of the College from time to time may install additional machinery, equipment or other personal property in the Facility (which may be attached or affixed to the Facility), and such machinery, equipment or other personal property shall not become, or be deemed to become, a part of the Facility, provided that the acquisition and installation of such property is not financed from either the Project Fund or the Renewal Fund. Subject to the provisions of the Series 2014 Loan Agreement and the Series 2014 Mortgages, the College from time to time may create or permit to be created any Lien on such machinery, equipment or other personal property. Further, the College from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur (i) if any Event of Default has occurred; or (ii) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further that, if any damage

is occasioned to the Facility by such removal, the College agrees promptly to repair such damage at its own expense. (Section 6.2)

Insurance Required

At all times throughout the Loan Term, including, when indicated in the Series 2014 Loan Agreement, during the Construction Period, the College shall, at its sole cost and expense, maintain or cause to be maintained insurance covering the Mortgaged Property against such risks and for such amounts as are customarily insured against by facilities of like size and type and shall pay, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(d) The College agrees that prior to the transfer of Gross Revenues to the Trustee, all Gross Revenues shall be held, and shall only be deposited by the College in an account with a financial institution that has executed an account control agreement by the College, the Issuer and the financial institution (any such agreement is referred to as a "Control Agreement"). *(Section 8.19)*

to items (v) and (vi) above, and (ii) of Independent Counsel as to items (i), (ii) and (iv) above. *(Section 9.3)*

Merger of Issuer

(a) Nothing contained in the Series 2014 Loan Agreement shall prevent the consolidation of the Issuer with, or merger of the Issuer into, or transfer of its interest in the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to enter into the Series 2014 Loan Agreement, provided that:

(i) upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of the Series 2014 Loan Agreement to be kept and performed by the Issuer shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Issuer's interest in the Facility shall be transferred; and

(ii) the exclusion of the interest on the Series 2014 Bonds from gross income for Federal income tax purposes shall not be adversely affected thereby.

(iii) any representation or warranty of the College in the Series 2014 Loan Agreement or in the Bond Purchase Agreement shall prove to have

(vi) an Event of Default under or a default on the part of the College of its obligations under the Indenture shall have occurred and be continuing;

(vii) the invalidity, illegality or unenforceability of any of the Bond Documents, provided the same does not permit the Issuer or the Trustee, as the case may be, to recognize the material benefits of the respective documents;

The party claiming such inability shall remove the cause for the same with all reasonable promptness. It is agreed that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the party having difficulty, and the party having difficulty shall not be required to settle any strike, lockout and other industrial disturbances by acceding to the demands of the opposing party or parties.
(Section 10.1)

Remedies on Default

(a) Whenever any Event of Default shall have occurred, the Issuer or the Trustee may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the College, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all unpaid Loan Payments payable pursuant to Section 5.3(c) of the Series 2014 Loan Agreement and pursuant to the Promissory Note

(e) Reserved.

(f) The Issuer shall have all of the rights, powers and remedies of a secured party under the Uniform Commercial Code of New York, including, without limitation, the right to seize or otherwise dispose of any or all of the Collateral described in the Series 2014 Loan Agreement, and to receive the payment of or take possession of the Collateral or the proceeds thereof. Upon the occurrence of an Event of Default by the College under the Series 2014 Loan Agreement, the College agrees that it will not commingle any moneys or other proceeds received by it in connection with any Collateral with any other moneys, funds or accounts of the College. *(Section 10.2)*

Remedies Cumulative

No remedy conferred upon or reserved to the Issuer or the Trustee is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under the Series 2014 Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee, as appropriate, to exercise any remedy reserved to it in the Series 2014 Loan Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in the Series 2014 Loan Agreement. *(Section 10.3)*

No Additional Waiver Implied by One Waiver

In the event any agreement contained in the Series 2014 Loan Agreement should be breached by any party and thereafter waived by any other party, such waiver shall be

limited to the particular breach so waived and shall not be deemed to waive any other breach under the Series 2014 Loan Agreement. *(Section 10.5)*

Early Termination of Loan Agreement

Re: Town of Hempstead Local Development Corporation
\$30,000,000 Revenue Bonds, Series 2014
(Molloy College Project)

Ladies and Gentlemen:

We have acted as bond counsel to the Town of Hempstead Local Development Corporation (Town of Hempstead, New York) (the “**Issuer**”) in connection with the issuance on the date hereof by the Issuer of its Revenue Bonds, Series 2014 (Molloy College Project) in the aggregate principal amount of \$30,000,000 (the “**Bonds**”) for the benefit of Molloy College, a duly organized and validly existing New York not-for-profit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “**Code**”), which is exempt from federal income taxation pursuant to Section 501(a) of the Code (the “**College**”). The Series 2014 Bonds are authorized to be issued pursuant to:

- (i) the provisions of the New York Membership Corporation Law as in effect in 1966, as superseded by Section 1411 of the New York Not-for-Profit Corporation Law (collectively called the “**Act**”);
- (ii) an Inducement Resolution duly adopted by the Issuer on September 17, 2014, and a Bond Resolution duly adopted by the Issuer on October 22, 2014 (collectively, the “**Resolution**”);
- (iii) an Indenture of Trust, dated as of November 1, 2009 (the “**Original Indenture**”), by and between the Issuer and U.S. Bank National Association, as trustee (the “**Trustee**”), as amended and supplemented by the First Supplemental Indenture of Trust, dated as of November 1, 2014 (the “**First Supplemental Indenture**”; and together with the Original Indenture, the “**Indenture**”).

The Issuer previously issued its Revenue Bonds, Series 2009 (Molloy College Project), under Section 145 of the Code, in an aggregate principal amount of \$50,000,000 (the “**Series 2009 Bonds**”); and, together with the Series 2014 Bonds, the “**Bonds**”), pursuant to the Original Indenture, for the purposes of providing funds for financing and refinancing the costs of acquisition, construction, furnishing and equipping certain facilities located on portions of the College’s approximately 24 acre campus located at 1000 Hempstead Avenue, in the Village of Rockville Centre, Town of Hempstead, Nassau County, New York (the “**Campus**”).

The Series 2014 Bonds are being issued to finance or refinance: (A) the construction, equipping and furnishing of an approximately 49,668 square foot academic building for the College’s nursing program which will house a variety of modern instructional spaces and provide offices to faculty, centrally located on the College’s Campus adjacent to the structure known as the Public Square on a portion of the Campus; (B) the renovation, equipping and furnishing of a former faculty residence located on the Campus, adjacent to the South Gate and east of Fitzgerald Hall, for use as student housing; and (C) other capital improvement projects throughout the Campus and related costs (subsections (A) through (C) are hereinafter collectively referred to as the “**Facility**”); (D) paying capitalized interest on the Series 2014 Bonds during the construction period of the Facility; and (E) paying certain costs of issuance of the Series 2014 Bonds (subsections (A) through (E) hereinafter collectively referred to as the “**Series 2014 Project**”).

The Issuer will loan the proceeds of the Series 2014 Bonds to the College pursuant to the terms of a Loan Agreement, dated as of November 1, 2014 (the “**Series 2014 Loan Agreement**”), between the Issuer and the College. The College has evidenced its obligations to make loan payments to the Issuer by the issuance and delivery of a Promissory Note, dated the closing date (the “**Promissory Note**”), from the Institution to the Issuer and endorsed by the Issuer to the Trustee. The College has entered into a certain Project Loan Mortgage and Security Agreement, dated as of November 1, 2014 (the “**Project Loan Mortgage**”), from the College to the Issuer, whereby the Issuer will secure the loan of the proceeds of the Series 2014 Bonds to the College. The College has entered into a certain Building Loan Mortgage and Security Agreement, dated as of November 1, 2014 (the “**Building Loan Mortgage**”; and together with the Project Loan Mortgage, the “**Mortgages**”), from the College to the Issuer, whereby the Issuer will secure the loan of the proceeds of the Series 2014 Bonds to the College. The Issuer has assigned to the Trustee certain of the Issuer’s rights and remedies under the Project Loan Mortgage pursuant to a certain Assignment of Project Loan Mortgage, dated as of November 1, 2014, (the “**Project Loan Mortgage Assignment**”), from the Issuer to the Trustee. The Issuer has assigned to the Trustee certain of the Issuer’s rights and remedies under the Building Loan Mortgage pursuant to a certain Assignment of Building Loan Mortgage, dated as of November 1, 2014, (the “**Building Loan Mortgage Assignment**”; and together with the Project Loan Mortgage Assignment, the “**Assignments**”), from the Issuer to the Trustee. The Building Loan Agreement, dated as of November 1, 2014 (the “**Building Loan Agreement**”), by and among the College, the Issuer and the Trustee, provides for the disbursement, application and advancing of the proceeds of the Series 2014 Bonds. The Issuer has assigned to the Trustee as security for the Series 2014 Bonds, for the benefit of the Owners of the Series 2014 Bonds, substantially all of its rights under the Series 2014 Loan Agreement pursuant to the Indenture. The Issuer and the College have entered into a Tax Regulatory Agreement, dated the date hereof (the “**Tax Regulatory Agreement**”), in which the Issuer and the College have made certain representations

and covenants, established certain conditions and limitations and created certain expectations, relating to compliance with the requirements imposed by the Code. J.P. Morgan Securities LLC (the “**Underwriter**”), has agreed to sell the Series 2014 Bonds to one or more purchasers pursuant to the terms of a Bond Purchase Agreement, dated November 6, 2014 (the “**Bond Purchase Agreement**”), among the Issuer, the Underwriter and the College.

The Series 2014 Bonds are dated November 14, 2014, and bear interest from the date thereof at the rate and pursuant to the respective terms of the Series 2014 Bonds. The Series 2014 Bonds are subject to prepayment or redemption prior to maturity, as a whole or in part, at such time or times, under such circumstances and in such manner as is set forth in the Series 2014 Bonds and the Indenture.

As bond counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates and documents (including all documents constituting the Transcript of Proceedings with respect to the issuance of the Series 2014 Bonds) as we have deemed necessary or appropriate for the purposes of the opinions rendered below. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion, without having conducted any independent investigation, we have relied upon, and assumed the accuracy and truthfulness of, the aforesaid instruments, certificates and documents.

Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned in the Schedule of Definitions attached as Schedule A to the Indenture.

In rendering the opinions set forth below, we have relied upon, among other things, certain representations and covenants made by the parties in this transaction including: (i) the College in (a) the Bond Purchase Agreement, (b) the Tax Regulatory Agreement, (c) the Series 2014 Loan Agreement, (d) the Project Loan Mortgage, (e) the Building Loan Mortgage, (f) the Building Loan Agreement, (g) the Closing Certificate of the College, dated the date hereof, and (h) the Bond Counsel Questionnaire submitted to us by the College, as amended and supplemented and (ii) the Issuer in (a) the Bond Purchase Agreement, (b) the Indenture, (c) the Tax Regulatory Agreement, (d) the Series 2014 Loan Agreement, (e) the Project Loan Mortgage Assignment, (f) the Building Loan Mortgage Assignment, (g) the Building Loan Agreement, and (h) the Closing Certificate of the Issuer, dated the date hereof. We call your attention to the fact that there are certain requirements with which the Issuer and the College must comply after the date of issuance of the Series 2014 Bonds in order for the interest on the Series 2014 Bonds to remain excluded from gross income for federal income tax purposes. Copies of the aforementioned documents are included in the Transcript of Proceedings.

In addition, in rendering the opinions set forth below, we have relied upon the opinions of counsel to the Issuer, Ryan, Brennan & Donnelly, LLP, Floral Park, New York; counsel to the College, Farrell Fritz, P.C., Melville, New York; and counsel to the Trustee, Hinckley, Allen & Snyder LLP, New York, New York, all of even date herewith. Copies of the aforementioned opinions are contained in the Transcript of Proceedings.

Based upon and subject to the foregoing, we are of the opinion that:

1. The Issuer is a duly organized and existing corporate governmental agency constituting a local development corporation of the State of New York.

2. The Issuer is duly authorized to issue, execute, sell and deliver the Series 2014 Bonds, for the purpose of paying the costs described above.

3. The Resolution has been duly adopted by the Issuer and is in full force and effect.

4. The Bond Purchase Agreement, the First Supplemental Indenture, the Tax Regulatory Agreement, the Assignments, the Building Loan Agreement, and the Series 2014 Loan Agreement have been duly authorized, executed and delivered by the Issuer.

5. Assuming the due authorization, execution and delivery thereof by the other parties thereto and assuming that with respect to such other parties thereto, no event or action impairing the enforceability of the Original Indenture shall have occurred or been taken after the time of delivery thereof except the execution and delivery of the First Supplemental Indenture and the Series 2014 Loan Agreement, the Indenture, the Series 2014 Loan Agreement the Bond Purchase Agreement, the Assignments and the Tax Regulatory Agreement, are legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms.

6. The Series 2014 Bonds have been duly authorized, executed and delivered by the Issuer and are legal, valid and binding special obligations of the Issuer payable solely from the revenues derived from the Series 2014 Loan Agreement and the Building Loan Agreement, enforceable against the Issuer in accordance with their respective terms.

7. The Series 2014 Bonds do not constitute a debt of the State of New York or of the Town of Hempstead, New York, and neither the State of New York nor the Town of Hempstead, New York, will be liable thereon.

8. The Code sets forth certain requirements which must be met subsequent to the issuance and delivery of the Series 2014 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2014 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2014 Bonds. Pursuant to the Indenture, the Series 2014 Loan Agreement and the Tax Regulatory Agreement, the Issuer and the College have covenanted to maintain the exclusion from gross income of the interest on the Series 2014 Bonds pursuant to Section 103 of the Code. In addition, the Issuer and the College have made certain representations and certifications in the Indenture, the Series 2014 Loan Agreement and the Tax Regulatory Agreement. We are also relying on the opinion of Counsel to the College, as to all matters concerning the status of the College as an organization described in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code. We have not independently verified the accuracy of those certifications and representations or that opinion.

Under existing law, assuming compliance with the tax covenants described herein and the accuracy of the aforementioned representations and certifications, interest on the Series 2014 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the

Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Interest on the Series 2014 Bonds is, however, included in the adjusted current earnings of certain corporations for purposes of computing the alternative minimum tax imposed on such corporations.

9. Interest on the Series 2014 Bonds is exempt from personal income taxes imposed by the State of New York and any political subdivision of the State of New York, assuming compliance with the tax covenants and the accuracy of the representations and certifications described in paragraph 8 herein.

Except as stated in paragraphs 8 and 9 above, we express no opinion as to any other federal, state, or local tax consequences of the ownership or disposition of the Series 2014 Bonds. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Series 2014 Bonds, or the interest thereon, if any action is taken with respect to the Series 2014 Bonds or the proceeds thereof upon the advice or approval of other counsel.

The foregoing opinions are qualified to the extent that the enforceability of the Series 2014 Bonds, the Bond Purchase Agreement, the Indenture, the Mortgages, the Series 2014 Loan Agreement, the Building Loan Agreement and the Tax Regulatory Agreement may be limited by bankruptcy, insolvency or other laws or enactments now or hereafter enacted by the State of New York or the United States affecting the enforcement of creditors' rights and by restrictions on the availability of equitable remedies and to the extent, if any, that enforceability of the indemnification provisions of such documents may be limited under law. We express no opinion with respect to the availability of any specific remedy provided for in any of the bond documents.

In rendering the foregoing opinions, we are not passing upon and do not assume any responsibility for the accuracy, completeness, sufficiency or fairness of any documents, information or financial data supplied by the Issuer, the College or the Trustee in connection with the Series 2014 Bonds, the Bond Purchase Agreement, the Indenture, the Mortgages, the Building Loan Agreement, the Series 2014 Loan Agreement, the Tax Regulatory Agreement, the Official Statement, the Continuing Disclosure Agreement or the Series 2014 Project and make no representation that we have independently verified the accuracy, completeness, sufficiency or fairness of any such documents, information or financial data. 1. Within the expiration of one hundred eighty (180) calendar days after the close of the most recent fiscal year of the College (the "Filing Deadline") commencing with the fiscal year ending June 30, 2015, the College will provide to the Municipal Securities Rulemaking Board ("MSRB") through the Electronic Municipal Market Access ("EMMA") system at <http://emma.msrb.org/submission>:

Items (a) and (b) are sometimes referred to herein respectively as the “Annual Report”.

The College shall file a certificate with the Issuer and the Trustee certifying that the Annual Report has been provided pursuant to this Continuing Disclosure Undertaking, stating the date it was provided and listing all the repositories to which it was provided (the “Compliance Certificate”); such report shall include a certification from the College that the Annual Report complies with the requirements of this Continuing Disclosure Undertaking.

If the Trustee has not received a Compliance Certificate by the Filing Deadline, the Trustee shall send, and the College hereby authorizes and directs the Trustee to submit on its behalf, a notice to the MSRB through EMMA in substantially the form attached hereto as Exhibit A.

The College reserves the right to modify from time to time the specific types of information provided under subparagraph (a) above or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the College; provided that any such modification will be done in a manner consistent with the Rule. At its option, the Trustee may request that the College provide an opinion of a nationally recognized bond counsel which states that said amendment will not have any adverse affect upon the taxability of the Series 2014 Bonds.

- 2. The College in a timely manner not to exceed ten (10) business days after the occurrence of the event, will provide to the MSRB through EMMA written notice of the occurrence of any of the following events with respect to the Series 2014 Bonds:

- j) rating changes;
- k) bankruptcy, insolvency, receivership or similar event of the University;

3. All documents provided to the MSRB shall be accompanied by identifying information prescribed by the MSRB.
 4. Notwithstanding any other provision of this Continuing Disclosure Undertaking, the College and the Trustee may amend this Continuing Disclosure Undertaking (and the Trustee shall agree to any amendment so requested by the College, provided, however, the Trustee shall not be required to accept or acknowledge any amendment of this Continuing Disclosure Undertaking if the amendment adversely affects its rights or immunities or increases its duties hereunder) and any provision of this Continuing Disclosure Undertaking may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to the College and the Trustee to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective

on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

5. The College, or the College's designee from time to time, shall be the contact persons on behalf of the College from whom the foregoing information, data and notices may be obtained. 6. The College's obligations under this Continuing Disclosure Undertaking shall terminate upon the defeasance, prior redemption or payment in full of all of the Series 2014 Bonds. If the College's obligations under the Series 2014 Loan Agreement (as defined in the Indenture) are assumed in full by some other entity, such person shall be responsible for compliance with this Continuing Disclosure Undertaking in the same manner as if it were the College and the College shall have no further responsibility hereunder.
7. In the event of a failure by the College to comply with any provision of this Continuing Disclosure Undertaking, the Trustee may (and at the request of any Bondowner holding at least 25% aggregate principal amount of outstanding Series 2014 Bonds, and providing the Trustee with indemnification of the type described in Section 9.01(b)(xiii) of the Original Indenture, shall), or any Bondowner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the College or the Trustee, as the case may be, to comply with their obligations under this Continuing Disclosure Undertaking. A default under this Continuing Disclosure Undertaking shall not be deemed an Event of Default under the Series 2014 Loan Agreement or the Indenture, and the sole remedy under this Continuing Disclosure Undertaking in the event of any failure of the College, or the Trustee to comply with this Continuing Disclosure Undertaking shall be an action to compel performance.
8. The Trustee is entitled to rely on any notices received by it from the College in making or not making any securities disclosure. The Trustee shall have no liability to the College or any Bondowners or anyone else for any disclosure or nondisclosure which is undertaken in reliance on notices from the College.
9. The Trustee shall have any such duties as are specifically set forth herein. The Trustee (i) shall not be liable for any error of judgment or for any act done or step taken or omitted by it in good faith, or for any mistake of fact or law, or for anything which it may do or refrain from doing in connection herewith, except for its own gross negligence or willful misconduct, (ii) shall not be obligated to take any legal action or other action hereunder which might in its judgment involve any expense or liability unless it has been furnished with indemnification satisfactory to it, and (iii) shall be entitled to consult with counsel satisfactory to it, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the opinion of such counsel. The College covenants and agrees to indemnify the Trustee and hold it harmless without limitation from and against any loss, liability or expense of any nature incurred by the Trustee arising out of or in connection with this Continuing Disclosure Undertaking except due to its own gross negligence or willful misconduct. In no event shall the Trustee be liable for indirect,

special or consequential damages. This Paragraph 9 shall survive termination of this Continuing Disclosure Undertaking.
