To the Board of Directors Town of Hempstead Local Development Corporation Hempstead, New York

We have audited the financial statements of the Town of Hempstead Local Development Corporation (the Corporation) for the year ended December 31, 2021. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 8, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Corporation are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Corporation during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the basic financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of related party transactions in Note 6 to the financial statements.

The Corporation is a component unit of the Town of Hempstead, New York. During 2021 the Corporation granted \$750,000 to the Town of Hempstead under a services agreement for career planning, occupational skills training programs, career and computers skills workshops and other job training programs for the residents of the Town of Hempstead through the Town of Hempstead Department of Occupational Resources.

To the Board of Directors Town of Hempstead Local Development Corporation March 2, 2022 Page 2

The financial statements disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial and communicate them to the appropriate level of management. We noted no such misstatements during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 2, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Corporation's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Corporation's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

To the Board of Directors Town of Hempstead Local Development Corporation March 2, 2022 Page 3

Other Matters

We applied certain limited procedures to Management's Discussion and Analysis, which is required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

Restriction on Use

This information is intended solely for the information and use of the members of the Board of Directors, management of the Corporation, and the New York State Office of the State Comptroller, and is not intended to be, and should not be, used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Town of Hempstead Local Development Corporation Hempstead, New York

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Town of Hempstead Local Development Corporation (the Corporation), a component unit of the Town of Hempstead, New York, as of and for the years ended December 31, 2021 and 2020 and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of December 31, 2021 and 2020 and the changes in its financial position and cash flows, thereof, for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and

To the Board of Directors Town of Hempstead Local Development Corporation Page 2

for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standard* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

To the Board of Directors Town of Hempstead Local Development Corporation Page 3

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 through 7 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 2, 2022 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Corporation's internal control over financial reporting and compliance.

Management's Discussion and Analysis <u>Unaudited</u>

Management's Discussion and Analysis

This section represents Management's Discussion and Analysis (MD&A) of the Town of Hempstead Local Development Corporation's (the Corporation), a component unit of the Town of Hempstead, financial condition and activities for the years ended December 31, 2021 and 2020. Please read this information in conjunction with the financial statements.

Financial Highlights - 2021 and 2020:

- The assets of the Corporation exceeded its liabilities at the close of 2021 and 2020 by \$2,065,151 and \$2,413,048, respectively. These funds are unrestricted and available to maintain the Corporation's continuing obligations.
- The Corporation's total net position decreased by \$347,897 for the year ended December 31, 2021 and increased by \$75,406 for the year ended December 31, 2020.

Overview:

The MD&A serves as an introduction to the basic financial statements and supplementary information. The MD&A represents management's examination and analysis of the Corporation's financial condition and performance.

The financial statements report information about the Corporation, which is a self-supporting entity that follows enterprise-type fund reporting. The Corporation applies full accrual accounting methods as used by similar business activities in the private sector. These statements offer short and long-term financial information.

The financial statements include statements of net position, statements of revenues, expenses and changes in net position, statements of cash flows and notes to the financial statements. The statements of net position include all of the Corporation's assets and liabilities, with the difference reported as net position.

The statements of revenues, expenses and changes in net position present the results of the Corporation's activities over the course of the year and information as to how the net position changed during the year. Management's Discussion and Analysis Unaudited

The notes to the financial statements provide required disclosure and other information that is essential to a full understanding of material data provided in the statements. The notes present information about the Corporation's accounting policies, significant account balances and activities, material risks, obligations, commitments, contingencies and subsequent events, if any.

Financial Analysis of the Corporation:

The statements report the net position of the Corporation and the changes in net position. The amount of net position, the difference between total assets and total liabilities, is a significant measure of the financial health or financial position of the Corporation. Over time, increases or decreases in the Corporation's net position is one indicator of whether its financial health is improving or deteriorating. However, other non-financial factors should be considered in evaluating the Corporation's overall financial condition.

The following comparative condensed financial statements and other selected information serve as the financial data and indicators for management's monitoring and planning.

Condensed Net Position:

A summary of the Corporation's condensed statements of net position at December 31 is presented as follows:

	<u>2021</u>	<u>2020</u>	<u>2019</u>
Assets: Current assets Total assets	\$2,075,314	\$2,422,036	\$2,346,901

	\$2,065,151	\$2,413,048	\$2,337,642

Management's Discussion and Analysis Unaudited

Total assets as of December 31, 2021 were \$2,075,314, which exceeded total liabilities of \$10,163 by \$2,065,151 (net position). The Corporation's net position was unrestricted and available to support operations. Total assets decreased by \$346,722 (14.3%) at December 31, 2021 compared to 2020 due to a decrease in cash and cash equivalents. Total liabilities increased by \$1,175 (13.1%) at December 31, 2021 compared to 2020, due to an increase in amounts of accrued expenses related to a shared services agreement between the Corporation and a related organization, the Town of Hempstead Industrial Development Agency (the Agency). The Corporation's net position decreased by \$347,897 due to current year expenses exceeding current fee revenue.

Total assets as of December 31, 2020 were \$2,422,036, which exceeded total liabilities of \$8,988 by \$2,413,048 (net position). The Corporation's net position was unrestricted and thus available to support operations. Total assets increased by \$75,135 (3.2%) at December 31, 2020 compared to 2019, due to an increase in cash and cash equivalents. Total liabilities decreased by \$271 (2.9%) at December 31, 2020 compared to 2019, due to decreases in amounts of accrued expenses related to a shared services agreement between the Corporation and the Agency. The Corporation's net position increased by \$75,406.

Operating Results

The Corporation's condensed statements of revenues, expenses and changes in net position for the years ended December 31 are presented as follows:

Net position, beginning of year Net position, end of year	2,413,048 \$2,065,151	2,337,642 \$2,413,048	2,243,303 \$ 2,337,642

Management's Discussion and Analysis Unaudited

The Corporation's operating revenues increased by \$330,604 (146.5%) from \$225,726 in 2020 to \$556,330 in 2021. The increase is attributable to more project fees being earned in 2021. There were three projects closed in 2021, while there was one project closed in 2020.

The Corporation's expenses increased to \$904,227 in 2021 from \$152,463 in 2020, an increase of \$751,764 (493.1%). This is primarily due to an increase in program support expenses. In 2021 the Corporation entered into an agreement with the Town of Hempstead Department of Occupational Resources for \$750,000 to support job training programs for the residents of the Town of Hempstead.

The Corporation's operating revenues decreased by \$4,983 (2.2%) from \$230,709 in 2019 to \$225,726 in 2020. The decrease in 2020 operating revenues is attributable to the Corporation earning less fees during 2020. There was one project closed in 2020, while there were two projects closed in 2019. The Corporation's expenses increased to \$152,463 in 2020 from \$148,385 in 2019, an increase of \$4,078 (2.7%). This is primarily due to an increase in salaries in 2020 as well as an increase in contractual and professional fees. In 2020 the Corporation utilized a transcription service to document its virtual Board of Director meetings as a result of the coronavirus pandemic.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Town of Hempstead Local Development Corporation Hempstead, New York

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Town of Hempstead Local Development Corporation (the Corporation) as of and for the year ended December 31, 2021 and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements and have issued our report thereon dated March 2, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify

To the Board of Directors Town of Hempstead Local Development Corporation Hempstead, New York

any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

Sheetan & Company CPA, P.C

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SELF-EVALUATION POLICY & PROCEDURES TOWN OF HEMPSTEAD

Local Development Corporation

Self-analysis & internal evaluation of LDC procedures and policies is a crucial and difficult area to objectively calculate. We believe that the LDC has policies and procedures in place that ensure productivity, efficiency and effective financial "checks and balances" that govern the conduct of the members, and of the staff who run the day-to-day operations.

The staff literally, on a weekly basis, or more frequently as events dictate, reviews operations to ensure that the corporation is fulfilling its mandate to spur economic development. This includes procedures to comply with state requirements, reaching out to prospective clients and updating projects in the pipeline.

Any procedural or policy changes are discussed with agency counsel and then with board members serving on the LDC committee that has jurisdiction over each of the respective areas impacted.

The status of all projects are updated for board members through a monthly Chief Executive Officer's Report, as needed which includes reports as to corporation operations, finances, procedures and policies.

Our outside accountants independently audit our records and finances to evaluate, from their perspective as detached financial analysts, LDC procedures, policies and compliance with state requirements and laws.

Specific roles:

1) CEO – Primary responsibility is the implementation of enacted procedures and policies of the Corporation. The CEO is the staff person who is primarily responsible to ensure that the enacted resolutions and adopted policies and procedures are fully implemented that the overall operation of the LDC complies with both legal requirements and those implemented by the board of directors. These formal actions, together with the operational methodology, govern the manner in which the corporation conducts business.

As such, the CEO coordinates all corporation activities to effectuate the mission statement and the outreach to the economic and business community to generate an awareness of the agency's role and to spur project development.

The CEO further ensures that internal controls are in place and that the budget is within projections established both prior to the budgetary year and as the year unfolds. The CEO oversees the other personnel and interacts, on an ongoing basis, with the corporation council and chairs of the various committees with jurisdiction over the corporation's operations.

The CEO, as designated chief exponent of LDC operations, frequently speaks before economic groups, participates in forums and visits existing projects and potential ones to explain LDC benefits.

The CEO is a bank signatory and oversees the income and expenditures of the corporation, as well as opens and reviews all bank statements to ensure postings comply with bank reports. The CFO and Corporate Administrator tend to the corporation's daily financial operations and bookkeeping.

2) CFO- Oversees status of project compliance through a spreadsheet that includes all material data for each Corporation project. This is updated for accuracy and provides an ongoing tally of projects, the status and composite of all LDC projects.

Corporate Administrator- Independently reviews each check and wire that is submitted for induced projects. Thus, the CFO acts independently to account for all revenues that are received and invested by the agency. In addition, the Corporate Administrator is responsible for the day-to-day expenditures of the corporation and the related record keeping. Claim forms are attached to every bill and checks are signed by one of the bank signatories. The CFO is also a bank signatory.

- 3) Fees or other income earned by the agency are prudently invested with commercial banks. On an ongoing basis, staff receives and verifies documentation to ensure that all accounts are adequately collateralized and the corporation's investments are protected. The CEO frequently contacts commercial banks to ascertain the highest rates earned on a 30, 60, 90 day or longer basis. Moneys will be transferred among the highest paying financial institutions. The CEO reviews the overall investments with the CFO & Corporate Administrator and reports his findings to the Chairman of the Finance Committee.
- 4) As economic development is the paramount reason for the existence of the LDC, continuous outreach to the academic, business, real estate and development communities is a crucial aspect of the daily operation of the CEO and staff.

Constant perusal of periodicals, updates to developers, brokers and business persons, as well as, onsite meetings with elected officials & members of the

economic development community ensure that the corporation and the benefits it provides are well known to all these key groups.

The CEO prepares a monthly report of potential projects, inquiries and solicitations that serves as a basis to track corporation involvement.

These formal internal procedures, as well as the documentation produced, provide the corporation with a structure that ensures a constant self-evaluation of its staff, procedures and overall operation.

The Town of Hempstead Local Development Corporation is authorized by law to provide benefits to not-for-profits, academic and education institutes, and charitable entities.

In 2021, the Local Development Corporation (LDC) provided tax exempt bonds to three outstanding centers of academia in the town.

Hofstra University refinanced its existing tax exempt bonds from the 2011 issuance through the LDC. The project included \$90,930,000.00 million in the 2021A tax exempt bond series (\$60,245 million refunding the 2011 bonds) and \$12,320 million in the 2021B Taxable Bond Series.

The proceeds permit Hofstra to construct a new 75,000 square foot Science and Innovation Center to house engineering and nursing programs as well as capital improvements around the campus. Forty five (45) full time positions shall be created as a result of the project, as well as hundreds of construction jobs.

Adelphi University refinanced its 2011 Tax Exempt Bond series issued through the LDC. The \$13,520 million bond issuance will be utilized to pay for existing projects at lower interest rate savings for the institution.

The LDC issued bonds for the Academy Charter School in the sum of \$46,615,000.00 million (tax exempt and a taxable tail). The bond proceeds are utilized to construct a 92,000 square foot, four story addition to serve as a high school in 2023 for its academic curriculum.

As a result of this project, over ninety (90) full time equivalent positions will be added to the school's payroll.

TOWN OF HEMPSTEAD Local Development Corporation

2022 ASSESSMENT OF EFFECTIVENESS OF INTERNAL CONTROL STRUCTURE AND PROCEDURES

A. Mission and Major Business Functions:

The mission of the Town of Hempstead LDC is to enhance economic activity for not-for-profit entities, spur growth and job development in our region. To accomplish these goals the LDC, is authorized by the Town of Hempstead (Resolution dated June 22, 1996) to operate exclusively for charitable or public purposes pursuant to the New York State Membership Corporation Law.

The LDC was inactive for a number of years. However, the Hempstead Town Board, sensing the need for a legal entity to assist not for profits, educational institutions and charitable organizations, reformulated the LDC by Town Board resolution on March 3, 2009. Thereafter, the LDC board, together with consultants, has worked to comply with current legal requirements governing such entities. Hence, the LDC has served as an active and productive economic vehicle since that time.

The limited scope of the LDC's legal jurisdiction dictated that the newly created agency administrating its operation be small. The work of the LDC is provided on a contractual basis with labor performed by consultants. Mike Lodato serves as the Corporate Administrator and he is supported in his efforts by staff, Edie M. Longo, CFO and Frederick E. Parola, CEO. The staff maintains comparable titles within the Town of Hempstead Industrial Development Agency.

B. Risks Associated with Corporation Operations:

There is always the potential for fraud and theft where a Corporation generates revenues and payments are collected for services rendered to the entity. However, the LDC operates in a manner of strong internal controls through its three contractual employees/staff who engage in constant interaction and discussion to prevent inappropriate actions.

A small office presents both unique problems and benefits to maintain the integrity of internal controls procedures. The intimate interaction in a small office should prevent the development of abuses that may evolve in administration, as constant interaction amongst the personnel tends to terminate poor procedures at their inception.

As important, there is continuing oversight of the separate roles and duties for which each of the employees are engaged.

Conversely however, a small office operation can be too intimate creating the possibility of abuse. Hence, the staff and board conscientiously work to ensure that there is no overlapping of duties, or conflicts. The Corporate Administrator conducts the administrative operation of the LDC. His work is reviewed and overseen by the CEO and CFO constantly. The dialogue amongst the staff and consultant is ongoing and procedures are constantly evolving to ensure the most optimum deployment of time and energy.

In fact, the IDA and LDC with the services each provide to the Town of Hempstead, are "partners in economic vitalization" and the umbrella created by the two entities well serve the needs of the town's residents and other institutions.

C. Internal Control Systems in Place:

The revenue generated by the transactions undertaken by the LDC are safeguarded through stringent corporation controls. Michael Lodato serving as the Corporate Administrator handles these finances in terms of checking and bank accounts. The CEO initially reviews all checking and bank statements, and oversees such administrative operations independently. Resolutions for payment authorization are created by the CFO. The CEO and CFO are signatories for the Corporation.

The purchase of any service is approved by the CFO who overseas all resolutions created by the LDC Administrator. The Chairman of the Finance Committee, who is a member of the board, independently reviews all such financial activities and the board is furnished with a financial statement and expenditure list at each meeting.

Every transaction is considered as a high risk and receives heightened procedural controls to prevent both the potential for abuse or lax treatment.

Ongoing discussions with the Corporation's accountants diligently question and scrutinize internal controls, reinforces the Corporation's preoccupation with functional risks. The Corporation's counsel, John Ryan, ESQ. serves as an independent source to oversee & review operations.

As stated, the internal control structures and procedures of the Town of Hempstead LDC are reviewed by the staff as well as by our independent accountants annually. These controls are adopted by both the committee and the full board.

The Corporation's established internal controls and procedures are reviewed by our independent accountants who present a detailed questionnaire that address every aspect of the LDC operations. Select Staff members and the Board Treasurer respond to inquiries by our accountants who then independently evaluate our operation and comment upon it in the annual report.

Internal control procedures are constantly re-evaluated by staff to ensure that a clear delineation of responsibilities are incorporated into operations. These discussions and findings are reviewed by both board members and the LDC independent accountants. Cash and all check writing is the responsibility of the Administrator. The CEO independently reviews all assets held by financial institutions to insure that the accounts square with the office accounts. The CEO reviews bank submissions to ensure that the collateral pledged to secure LDC deposits provide adequate security.

Furthermore, the staff discusses financial operations on a weekly and, often, on a more frequent basis. All expenditures are submitted by staff to the board for approval by resolution. Low cost purchases are itemized and these items, which normally include supplies (pens, paper), are paid by check as well as pursuant to a standing resolution approved by the board. The CEO and CFO review all such payments made by the Administrator.

The staff constantly updates the projected revenues and expenditures as well as the overall budget, to ensure that filings are consistent with the projections made prior to the fiscal year.

The Investment Chairman of the LDC Board is provided with all financial expenditures, payments and budget updates on a regular basis. The LDC Board members are presented with all such budgetary materials prior to its meetings.

Minor expenditures are approved pursuant to a standing board resolution and larger, specific expenditures are approved by resolutions that address that item.

Any and all purchases of services and higher cost items are conducted pursuant to the LDC's Purchasing/Procurement Policy and Guidelines.

The Investment Policy is conducted pursuant to the resolutions enacted by our board and the laws of New York State that regulate governmental authorities and municipalities. Income generated is invested solely in conservative institutions, which are commercial banks, presently, that offer the highest rate of return. Hence, such assets are fully protected against loss and constitute what can only be categorized as the lowest level of risk. The CEO periodically updates the rates offered by each of the commercial banks to guarantee both the best and highest rate of return. Principal is reinvested periodically to reflect such fluctuation in the rates.

D. Extent To Which The Internal Control System is Effective:

The division of responsibilities and the independent review as set forth in the LDC's procedures over its operation create a multi-leveled structure that virtually preclude abuse and ensures the timely and quick exposure of any indiscretion.

Supporting this observation as to the excellence of the corporation's internal control is the review by the Corporation's outside accountants who question each employee/consultant as to the nature and effectiveness of the internal controls in place. Each employee justifies before the independent accountant, the manner in which the stated procedures and controls actually function.

E. Corrective Action:

Any inappropriate action discovered within the Corporation's operations is referred to the Corporation's independent counsel for review and his recommendation as to what action should be adopted by the LDC board.

The Corporation's Code of Conduct and Ethics determine the course to be adopted from internal discipline for minor infractions to referral to the District Attorney in the event of criminal activity.
